Request for Qualifications

RFQ 17-001

Continuing Services Contract for Professional Engineering Services

The City of Winter Garden, Florida, in conformance with the Consultants' Competitive Negotiations Act (CCNA), Florida Statutes Section 287.055, et seq., and the policies and procedures of the City of Winter Garden (City) is soliciting statements of qualifications from qualified professional engineering firms that are interested in providing general engineering services for planning and public works projects for studies, design, plans production, construction management, and other miscellaneous engineering and planning projects.

The City intends to award continuing contracts to no fewer than three (3) firms deemed to be the most highly qualified to perform the required services. In determining whether a firm is qualified, the City shall consider such factors as the ability of professional personnel; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms; and the volume of work previously awarded to each firm by the City, with the object of effecting an equitable distribution of contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms. Firms selected by the City will provide engineering services to the City on an as-needed basis, based upon task orders to be issued by the City under the continuing contracts. The contracts shall automatically be renewed annually unless terminated by the City in writing, for a maximum of five years from the date of the execution.

Interested firms may secure a copy of the RFQ documents at City Hall, 300 West Plant Street, Winter Garden, FL. The documents are also available online on the Bids & Contracts page of the City's website (<http://www.cwgd.com/business/bids/>).

Qualification packages must be received no later than **Tuesday, November 15 at 2:00 pm**. Any qualification packages received after this time will not be accepted under any circumstances. Any uncertainty regarding the time a qualification package is received will be resolved against the respondent. Qualification packages submitted after this designated time will be returned unopened.

Interested firms or companies shall submit one (1) original and five (5) copies of their qualifications to the City of Winter Garden reception desk by the submission deadline to the attention of:

Donald R. Cochran
City of Winter Garden
RFQ 17-001
300 West Plant Street
Winter Garden, FL 34787

No faxed or electronic submissions will be accepted.

The City, through written inquiries directed to Donald Cochran, will receive questions regarding the RFQ. Please send such inquires via email to Mr. Cochran at dcochran@cwgd.com. The deadline for receipt of written inquiries is **Tuesday, November 1 by close of business.**

Pursuant to Section 287.133(2)(a), Florida Statutes, interested firms who have been placed on the convicted vendor list following a conviction for public entity crimes may not submit a proposal on a contract to provide services for a public entity, may not be awarded a consultant contract, and may not transact business with a public entity for services the value of which exceeds \$15,000 for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

TYPICAL SCOPE OF SERVICES

The scope of work to be performed under task orders issued under the continuing contracts may consist of, but will not necessarily be limited to, data collection, planning and engineering studies, design, preparation of construction plans and special provisions, and construction phase engineering services for rehabilitative or new construction. Typical assignments may include tasks like the following:

Traffic Data Collection

Tasks for services under may include, but are not limited to, the following:

- 24-hour, 48-hour, and 7-day directional automatic traffic volume counts
- 24-hour and 48-hour directional classification counts
- Manual 2-hour, 4-hour, and 8-hour intersection turning movement count
- Origin-destination studies
- Travel time and delay studies
- Speed studies
- Roadway feature inventories

Planning Studies

Tasks for services under may include, but are not limited to, the following:

- Reuse water service studies and planning
- Wastewater collection master plan
- Capital improvements and infrastructure rehabilitation master planning
- Stormwater infrastructure planning and analysis
- Sidewalk need assessment and planning studies
- Miscellaneous engineering planning services

Design Services

Tasks for services under may include, but are not limited to, the following:

- Preliminary analysis and conceptual design of minor engineering projects
- Plans production services in the latest available version of Auto-CADD
- Minor roadway and intersection design and preparation of plans and construction documents

- Minor drainage infrastructure and pollution abatement design and preparation of plans and construction documents
- Replacement and/or upgrade of sanitary sewer lift stations and associated force mains
- Extension of sanitary sewer service to existing areas on septic tanks or developing areas
- Extension of reuse mains to retrofit existing developments
- Replacement of undersized or nonconforming material water mains
- Design and preparation of plans and documents for new walls and rehabilitation of existing walls
- Post-design services
- Construction monitoring and inspection services
- Miscellaneous engineering design services

Contract Management and Inspection Services

As needed.

Interested firms must be experienced in providing engineering services for projects of a scope and nature comparable to those described. Use of qualified subconsultants for specialty work is acceptable. To be considered, the firm shall be a licensed professional in accordance with Florida State law and be familiar with all applicable State of Florida, St. Johns River Water Management District, Orange County, and City of Winter Garden codes, regulations and laws. Please include a copy of all applicable licenses held by firms or subconsultants proposed to perform work.

SUBMISSION REQUIREMENTS

The interested and qualified firms shall submit a statement of qualifications describing their qualifications and experience in the type of work requested. Submissions shall be limited to a total of **thirty-five (35) 8.5" x 11" single-sided pages** (including résumés but excluding front and back covers, dividers, and a 2-page cover letter). The document shall be presented with portrait orientation and 12-point font. The required submission material includes the following:

I. Firm's Qualifications

- List of all firm's employees, their qualifications, and their role for the City services.
- Firm's and employees' certifications and registration with regulatory agencies, professional organizations, etc.
- List of firm's subconsultants, their qualifications, and their role in this project.
- List of firm's other current or recently completed similar services within the past two (2) years with other public or private agencies.
- List and quantity of firm's (and firm's subconsultants', if applicable) equipment including CADD workstations, traffic counters, etc.
- List of at least three (3) client references including organization name, contact person, telephone number(s), and e-mail address(es).

II. Firm's Office Location

List the location of all offices (firm and subconsultants) involved with this project and approximate distance (in miles) and time (in hours) to City Hall.

The City reserves the right to accept or reject any or all submittals that it may, in its sole discretion, deem unresponsive or waive technicalities that best serve the overall interests of the City.

Cost of preparation of a response to the RFQ is solely that of the consultant, and the City assumes no responsibility for such cost incurred by the consultant.

Any request to withdraw a qualification package must be addressed in writing as above. Such requests must be received by the City prior to the deadline for submission.

PROOF OF PROFESSIONAL LIABILITY INSURANCE

The successful respondent shall be required to provide evidence of both General (Public and Property) Liability and Professional (Design Errors and Omissions) Liability Insurance in the form of a certificate of insurance issued on behalf of the City of Winter Garden by companies acceptable to the City at the following minimum limits and coverage's with deductible amounts acceptable to the City:

Comprehensive General Liability Insurance: \$1,000,000.00
(The City of Winter Garden is to be named as an additional insured.)

Professional Liability Insurance: \$1,000,000.00
(Design Errors and Omission)

The contractor shall not commence any work in connection with an agreement until all of the following types of insurance have been obtained and such insurance has been approved by the City, nor shall the contractor allow any subcontractor to commence work on a subcontract until all similar insurance required of the subcontractor has been so obtained and approved. Policies other than Workers' Compensation shall be issued only by companies authorized by subsisting certificates of authority issued to the companies by the Department of Insurance of Florida which maintain a Best's Rating of "A" or better and a Financial Size Category of "VII" or better according to the A.M. Best Company. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

Loss Deductible Clause

The City shall be exempt from, and in no way liable for, any sums of money, which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the general contractor and/or subcontractor providing such insurance.

Workers' Compensation Insurance

The contractor shall obtain during the life of the agreement Workers' Compensation Insurance with Employer's Liability Limits of \$500,000/\$500,000/\$500,000 for all the Contractor's employees connected with the work of this project and, in the event any work is sublet, the Contractor shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Contractor. Such insurance shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this contract for the City is not protected under the Workers' Compensation statute, the contractor shall provide, and cause each subcontractor to provide adequate insurance, satisfactory to the City, for the protection of the contractor's employees not otherwise protected.

Include Waiver of Subrogation in favor of the City of Winter Garden

Contractor's Public Liability and Property Damage Insurance

The contractor shall obtain during the life of the agreement commercial automobile coverage. This policy should name the City of Winter Garden as an additional insured, and shall protect the contractor from claims for damage for personal injury, including accidental death, as well as claims for property damages that may arise from operations under this agreement whether such operations be by the contractor or by anyone directly or indirectly employed by the contractor, and the amount of such insurance shall be the minimum limits as follows:

Automobile Bodily Injury Liability & Property Damage Liability

\$1,000,000 combined single limit per occurrence (each person, each accident)

All covered automobile will be covered via symbol 1

Liability coverage will include hired and non-owned automobile liability

Include Waiver of Subrogation in favor of The City of Winter Garden.

Comprehensive General Liability (Occurrence Form)

This policy should name the City of Winter Garden and additional insured and should indicate that the insurance of the contractor is primary and not contributory over the insurance of the City of Winter Garden.

\$2,000,000 GENERAL AGGREGATE

\$1,000,000 PRODUCTS-COMPLETED OPERATIONS AGGREGATE

\$1,000,000 PER OCCURRENCE

\$1,000,000 PERSONAL AND ADVERTISING INJURY

Include Waiver of Subrogation in favor of the City of Winter Garden.

Subcontractor's Comprehensive General Liability, Automobile Liability and Workers' Compensation Insurance

The contractor shall require each subcontractor to procure and maintain during the life of this subcontract, insurance of the type specified above or insure the activities of these subcontractors in the contractor's policy, as specified above.

Owner's Protective Liability Insurance

The contractor shall procure and furnish an Owner's Protective Liability Insurance Policy with the following limits: \$1,000,000, and per occurrence, \$2,000,000. Aggregate and naming the City of Winter Garden as the Named Insured.

Contractual Liability – Work Contract

The contractor's insurance shall also include contractual liability coverage. NOTE: PUBLIC LIABILITY INSURANCE AND AUTOMOBILE LIABILITY INSURANCE, THE CITY SHALL BE NAMED AS ADDITIONAL INSURED.

\$1,000,000 PER OCCURRENCE

\$2,000,000 AGGREGATE

Certificates of Insurance

A certificate of insurance form, naming the City of Winter Garden as an additional insured, will be furnished by the contractor upon notice of award. These shall be completed by the authorized resident agent and returned to the office of the buyer. This certificate shall be dated and show the following: the name of the insured contractor, the specific job by name and job number, the name of the insurer, the number of the policy, its effective date, and its termination date.

Statement that the insurer shall mail notice to the owner at least thirty (30) days prior to any material changes in provisions or cancellation of the policy.

SELECTION CRITERIA

Qualification packages will be reviewed and evaluated by a selection committee and a short list of qualified firms may be invited to make a formal presentation. The qualification packages will be reviewed and evaluated in accordance with the following criteria and weighting factors:

1. Overall experience of the firm	20%
2. Past performance and experience of the firm	20%
3. Ability to meet time and budget requirements	20%
4. Effect of legal action against the firm	20%
5. Location of the office and proximity to the City	10%
6. Project workloads of the firm	10%

SELECTION PROCEDURES

A City selection committee will evaluate each respondent's qualifications and will short-list and recommend to the City Commission no fewer than three (3) firms (or more, as determined by the City) to provide the requested services. The City Commission will select three (3) firms for contract negotiations. The City Commission's decision shall be final.

The City will negotiate contracts with the firms ranked as the top three most qualified firms at a rate of compensation that the City deems fair, competitive, and reasonable. If an agreement cannot be reached with any of the three firms, the City shall begin negotiations with the next most highly qualified firm.

The criteria for selection shall be based on the selection criteria above, including the firm's qualifications, service location, past performance, and reference check. The City reserves the right, before awarding the contract, to require a respondent to submit such evidence of its qualifications as it may deem necessary. The City shall be the sole judge of the competency of respondents.

All successful respondents shall be required to execute an agreement that provides, among other things, that all plans, drawings, reports, and specifications that result from respondent's services shall become the property of the City. Upon the successful negotiation of an agreement, a formal contract will be prepared and executed by both parties.
