At this time, Canvassing Board members and Orange County staff began auditing the ballots cast in the run-off election held April 12, 2011 for City Commissioner District 1 between Kent Wesley Makin and Henry L. Wright.

Upon completion of the audit, it was determined that the election night results certificate details had been filled in incorrectly, when they were transferred from the County Elections office printed results. Therefore, a corrected certificate of results form was approved (*see attached*).
