ADJOURN to a Regular Meeting on October 13, 2011 at 6:30 p.m. in City Hall Commission Chambers, 300 W. Plant Street, 1st floor

Please Note: In accordance with Florida Statutes 286.0105: Any person who desires to appeal any decision at this meeting will need a record of the proceedings and for this purpose may need to ensure that a verbatim record of the proceedings is made which includes the testimony and evidence upon which the appeal is based, which such written record is not provided by the City of Winter Garden.

Help for the hearing impaired is available through the Assistive Listening System. Receivers can be obtained at the meeting from the Information Technology Director.

Also, in accordance with Florida Statute 286.26: Persons with disabilities needing assistance to participate in any of these proceedings should contact the Office of the City Clerk, 300 W. Plant Street, Winter Garden, FL 34787, (407) 656-4111 x 2254 48 hours in advance of the meeting.

ORDINANCE 11-23

AN ORDINANCE LEVYING TAX UPON ALL TAXABLE PROPERTY WITHIN THE CITY OF WINTER GARDEN, FLORIDA, FOR THE TAX YEAR BEGINNING ON OCTOBER 1, 2011 AND ENDING ON SEPTEMBER 30, 2012

WHEREAS, in order to provide the revenue necessary for the operation of the City for its Fiscal Year beginning October 1, 2011 and ending September 30, 2012, the City Commission of the City of Winter Garden has determined the rate of ad valorem tax levy that must be assessed for the year 2011; and

WHEREAS, the provisions of Chapter 200 of the Florida Statutes prescribing the method of fixing millage has been complied with.

NOW, THEREFORE, BE IT ENACTED BY THE CITY OF WINTER GARDEN, FLORIDA:

SECTION 1: The City Commission of the City of Winter Garden hereby adopts, establishes and levies a millage rate for ad valorem taxation of real and tangible personal property within the City of Winter Garden for the Fiscal Year beginning October 1, 2011 and ending on September 30, 2012, at the rate of 4.2500 mills (\$4.2500 for every \$1,000 of assessed valuation) upon the assessed valuation of property within the corporate limits of the City of Winter Garden, Florida. This millage rate is less than the rolled back rate of 4.5987 mills by 7.58 percent.

SECTION 2: All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3: Should any portion of this Ordinance be held invalid, then such portions as are not declared to be invalid shall remain in full force and effect.

SECTION 4: This Ordinance shall become effective immediately upon its becoming a law.

ORDINANCE 11-24

AN ORDINANCE APPROPRIATING AND ALLOCATING ALL REVENUE AND FUNDS OF THE CITY OF WINTER GARDEN, FLORIDA, FOR THE TAX YEAR BEGINNING ON OCTOBER 1, 2011 AND ENDING ON SEPTEMBER 30, 2012

WHEREAS, the amount necessary as determined by the City Commission of the City of Winter Garden, Florida to defray the actual operating requirements of the municipal government of said City for the Tax Collection Year which begins October 1, 2011 and which ends on September 30, 2012 is the sum of \$23,832,711; and

WHEREAS, tax levy on all taxable real and tangible personal property within said City is necessary to be made in the total amount of 4.2500 mills (\$4.2500 for every \$1,000 of assessed valuation) to be allocated to the General Fund; and

WHEREAS, it is anticipated that there will be available for use and disbursement from the general funds of said City, revenue in the following amounts:

Collection of Ad Valorem	\$ 7,828,271
Revenue other than Ad Valorem	<u>16,004,440</u>
TOTAL REVENUES	\$23,832,711

BE IT ENACTED BY THE CITY OF WINTER GARDEN, FLORIDA:

SECTION 1: That the sum of \$23,832,711 and such portion thereof as may be realized from the collection of the remainder of current taxes and other anticipated revenue is hereby allocated and appropriated to the General Fund of said City.

SECTION 2: All Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3: Should any portion of this Ordinance be held invalid, then such portions as are not declared to be invalid shall remain in full force and effect.

SECTION 4: This Ordinance shall become effective immediately upon its becoming a law.

ORDINANCE 11-25

AN ORDINANCE APPROPRIATING AND ALLOCATING ALL REVENUE AND FUNDS OF THE COMMUNITY REDEVELOPMENT AGENCY (CRA) OF THE CITY OF WINTER GARDEN, FLORIDA, FOR THE TAX YEAR BEGINNING ON OCTOBER 1, 2011 AND ENDING ON SEPTEMBER 30, 2012

WHEREAS, the amount necessary as determined by the City Commission of the City of Winter Garden, Florida to defray the actual operating requirements and appropriations to Fund Balance of the CRA of said City for the Tax Collection Year which begins October 1, 2011 and which ends on September 30, 2012 is the sum of \$693,779; and

WHEREAS, tax levy on all taxable real and tangible personal property within said CRA in excess of the base year 1991 taxable value of \$23,063,944 is necessary to be allocated to the CRA for Area I; and

WHEREAS, tax levy on all taxable real and tangible personal property within said CRA in excess of the base year 1996 taxable value of \$548,114 is necessary to be allocated to the CRA for Area II; and

WHEREAS, it is anticipated that there will be available for use and disbursement from the CRA funds of said City, revenue in the following amounts:

Collection of Ad Valorem	\$322,287
Revenue other than Ad Valorem	<u>371,492</u>
TOTAL REVENUES	\$693,779

BE IT ENACTED BY THE CITY OF WINTER GARDEN, FLORIDA:

SECTION 1: That the sum of \$693,779 and such portion thereof as may be realized from the collection of the remainder of current taxes and other anticipated revenue is hereby allocated and appropriated to the CRA of said City.

SECTION 2: All Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3: Should any portion of this Ordinance be held invalid, then such portions as are not declared to be invalid shall remain in full force and effect.

SECTION 4: This Ordinance shall become effective immediately upon its becoming a law.

ORDINANCE 11-26

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF WINTER GARDEN, AUTHORIZING THE APPROPRIATIONS OF CITY FUNDS FOR FISCAL YEAR 2011-12 IN ACCORDANCE WITH ARTICLE 3 SECTION 30 (5) OF THE CITY CHARTER OF THE CITY OF WINTER GARDEN, FLORIDA AND FLORIDA STATUTE 166.241 FOR THE PURPOSE OF FULFILLING THE FINANCIAL OBLIGATIONS OF THE CITY

WHEREAS, the City Manager of the City of Winter Garden, Florida has submitted an estimate of the expenditures necessary to carry on the City government for the Fiscal Year beginning October 1, 2011 and ending September 30, 2012; and

WHEREAS, the estimated revenues to be received by the City during said period from ad valorem taxes and other sources has been submitted to the City Commission; and

WHEREAS, all applicable legal requirements pertaining to public notices and hearings have been satisfied within specified deadlines and prior to final adoption of this Ordinance; and

WHEREAS, the City Commission has examined and carefully considered the proposed budget;

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF WINTER GARDEN, FLORIDA, AS FOLLOWS:

SECTION 1. Authority. The City Commission of the City of Winter Garden has the authority to adopt this Ordinance pursuant to Article VIII of the Constitution of the State of Florida and Chapters 166 and 200, Florida Statutes.

SECTION 2. Adoption of Final Budget. Attached hereto as Exhibit "A" and incorporated herein by reference is the final budget for the City of Winter Garden for the Fiscal Year beginning October 1, 2011 and ending September 30, 2012, said final budget being hereby

confirmed, adopted and approved in all respects by the City Commission of the City of Winter Garden.

SECTION 3. Appropriations. There are hereby expressly appropriated out of anticipated revenues all funds and monies necessary to meet the appropriations stipulated by and in said final budget.

SECTION 4. Severability. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion hereto.

SECTION 5. Effective Date. This Ordinance shall become effective immediately upon it becoming a law.

CITY OF WINTER GARDEN

OFFICE OF THE CITY MANAGER

300 W. PLANT STREET

WINTER GARDEN, FL 34787

TEL: (407) 656-4111 • FAX (407) 656-1073

August 11, 2011

To the Honorable Mayor, Members of the City
Commission, and the Citizens of the
City of Winter Garden, Florida:

In accordance with Article III of the City Charter, I am pleased to present for your consideration the recommended budget for fiscal year 2011/2012. This document sets the recommended expenditures/expenses for operations and for capital improvements for the upcoming fiscal year.

This Annual Budget Document has been prepared in a format similar to that used last year. Actual expenditures for the past fiscal year, along with the original and amended budget for the current fiscal year, and a proposed budget for the upcoming fiscal year are listed for each department and division of the City. The amended budget column reflects all budget amendments approved by the City Manager or the City Commission through the middle of July. The 2011/12 budget column includes recommendations for the upcoming fiscal year. These recommendations reflect expenditures proposed by the various City departments as modified by the City Manager. Detailed information on proposed capital expenditures is illustrated in both the Capital Outlay and the Five-Year Capital Improvement Plan sections of this document.

BUDGET HIGHLIGHTS

GENERAL FUND: Projected Revenues for Fiscal Year 2011/12, after eliminating budgeted use of fund balance, property sales, grants and other unusual items, decreased 1.2% from FY 2010/11. Despite this decrease, the City will put \$637,208 into unreserved fund balance to balance the budget, which will bring the projected unreserved fund balance to \$4,663,940 at the end of fiscal year 2012. This will bring fund balance to 21% of expenditures, which is below the target minimum of 30%.

Ad Valorem taxes, which comprise 32.9% of the budget, are projected to decrease 6.5% as a result of decreased property values. The April 1, 2010 population estimate provided to us by the University of Florida, Bureau of Economics and Business Research, was 34,568, a population growth of 11.6% over the prior year. Local Government ½ Cent Sales Tax and State Revenue Sharing revenues represent 21.8% of the budget, with the ½ Cent Sales Tax Revenue projected to increase 13.1% and Shared Revenues projected to increase 17.8%.

Utility Franchise Fees and Taxes have been budgeted at a 0.4% increase over last year. These revenues comprise 22.3% of the budget. The Communications Service Tax, 5.2% of the budget, is projected to decrease 2.2%.

On the personnel side, the budget includes a 2.5% combination cost-of-living and merit increase for all employees, with merit increases examined on a case by case basis.

Health insurance costs are budgeted for a 0% increase. The City will continue to pay 50% of the cost for dependent coverage. Approximately 46% of our employees have some type of dependent coverage. The City will continue to pay 100% of the health insurance premium for employee only coverage through December 2011. Beginning January 2012, employees will pay between 0-15% of the employee portion of coverage depending upon their level of participation in the City's Wellness Program. In addition to health, the City provides basic life and long-term disability coverage at no cost to the employee.

The City continues to participate in the pooled self-insured program administered by Public Risk Management. Premiums for worker's compensation, property, and general liability insurance are budgeted to increase 5.0% this year.

The City's Pension Plan costs decreased 44.5% this year. This decrease is primarily the result of a combination of changes in actuarial valuation methods and 2.5% additional employee contributions to offset employer contributions. On a percent of pay basis, the City's contribution rates will decrease from 22.69% to 10.50% for the General Employee Plan and decrease from 24.84% to 12.46% for the Fire and Police Plan. If investment returns improve, contribution rates should decrease further in future years.

Conservative fiscal management and continued efforts to control operational costs will serve the City well as we continue in these economically uncertain times. We continue to maintain and improve infrastructure, provide our employees with one of the best benefit packages in the State, and still manage to maintain our solid financial condition. With the current economic climate, we anticipate revenues to remain depressed for the next few years. Therefore, operating expenditures and capital projects will be affected. We anticipate working with a Financial Advisor in the future and developing a plan to fund Capital Projects through the issuance of debt. As we move forward, we need to become more efficient and carefully examine existing activities and any new activities, eliminating those that do not add value and adding those that do.

Following are specific departmental highlights:

Legislative: The Legislative budget will increase 8.2% for fiscal year 2011/12.

Executive: The Executive budget will decrease 29.9% for fiscal year 2011/12 excluding transfers to fund balance. This decrease is primarily due to a nonrecurring appropriation in the prior year budget of \$254,357 for the City's remaining obligation for the new Magic Gym.

Economic Development: The Economic Development budget will decrease 2.4% for fiscal year 2011/12.

City Clerk: The City Clerk budget will decrease 6.8% for fiscal year 2011/12.

Finance: The Finance budget will decrease by 5.0% for fiscal year 2011/12.

Information Systems: The Information Systems budget will decrease 6.1% for fiscal year 2011/12. The City will continue to maintain and improve its information technology infrastructure.

Community Development: The Community Development Department budget will increase 7.3% over the prior year.

Police: The Police Department budget will decrease 3.4% this year.

Fire: The Fire Department budget decreases 5.8% over last year. This is primarily due to efforts to reduce overtime and reductions in retirement contributions.

Public Services: The Public Services budget will increase 11.4% from the prior year. This is primarily due to a non-recurring appropriation in the current year budget.

Human Resources: The Human Resources budget will increase 2.2% for fiscal year 2011/12.

Recreation: The Recreation General Fund budget decreases 39.6% this year. This decrease is primarily due to non-recurring appropriations in the prior year budget for the Farmer's Market Park and Fountain (\$1,200,000) and acquisition of the Garden Theatre Building (\$1,452,791). The current year budget includes a \$400,000 interfund transfer to the Impact Fee Fund for partial reimbursement of the Tucker Ranch Acquisition Costs incurred in fiscal year 2011. Removing these items, the Recreation budget increases by 7.6%.

Legal: The Legal budget will increase 24.2% for fiscal year 2011/12. This is due to a budget amendment in fiscal year 2011 to decrease the budget by \$40,000. Removing this, the Legal budget increases 2.2%.

Engineering: The Engineering budget will increase 24.2% for fiscal year 2011/12. This is primarily due to a reduction in the allocation of personnel costs to projects for fiscal year 2012.

IMPACT FEE FUND: There is one project slated for the fiscal 2011/12 budget year. The Public Services Department will fund improvements to County Road 545 (\$4,000,000).

UTILITY FUND: The Utility Department operating budget will decrease 47.8% from the prior year. This decrease is primarily due to a reduction in funding of Renewal and Replacement projects in the prior year of \$6,664,085, the bulk of which was for State Road 50 Utility line relocations.

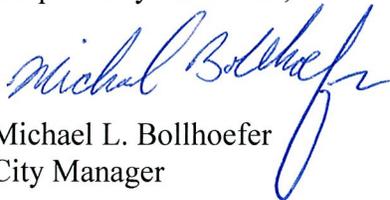

STORMWATER FUND: The Stormwater Fund budget decreases 39.0% from the prior year. This is primarily due to a reduction in the capital budget of \$375,984 from the prior year.

SOLID WASTE FUND: This year's budget decreases 12.2% from the prior year. This is primarily due to a reduction in the capital budget of \$382,232 from the prior year.

TRAILER CITY FUND: Trailer City's budget will decrease 4.4% over the prior year.

In conclusion, the City is in sound financial condition. We continue to maintain a low debt burden and a responsible level of fund balances. This budget serves the citizens of the community well by providing the funds necessary to maintain and improve the City's infrastructure, ensure qualified and responsive fire and police protection, and provide those amenities that define our community.

Respectfully submitted,

A handwritten signature in blue ink that reads "Michael Bollhoefer". The signature is written in a cursive style with a large, looping flourish at the end.

Powers and Responsibilities of the City Commission

Powers

Except as otherwise provided in the Charter, all powers of the City, and the determination of all matters of policy are vested in the City Commission.

Without limitation of the foregoing, the City Commission has the power to:

- (1) Be the judge of the election and qualification of its own members;
- (2) Authorize the issuance of bonds; revenue certificates, and other evidence of indebtedness;
- (3) Adopt and modify the official map of the city;
- (4) Provide for an independent audit;
- (5) Pass ordinances and laws for the preservation of the public peace and order, and impose penalties for the violation thereof; provided that the maximum penalty to be imposed shall be a fine of not more than five hundred dollars (\$500.00) or imprisonment for a period of time not longer than sixty (60) days;
- (6) Deal with any property of the city, both real or personal, or mixed in any manner the Commission may see fit to do in accordance with the general powers of the City;
- (7) Provide rules and regulations for all purchases and sales made for and on behalf of the City;
- (8) Appoint, remove, and fix the compensation of the City Manager, City Attorney, City Auditor, City Clerk, and a Certified Public Accountant to perform the annual audit;
- (9) Appoint advisory boards to serve without compensation;
- (10) Establish by ordinance, the conditions upon which subdivisions and other areas may be annexed by the City;
- (11) Exercise any right of authority given or permitted by the Constitution and the laws of the State of Florida to city commissions consistent with or in addition to the provisions of the revised Charter;

- (12) By order of the City Commission, those officers listed in paragraph (8) above who are indicted for a felony will be suspended from office, without pay, until acquitted and the office filled by appointment for the period of suspension. By order of the City Manager, any other municipal officer or employee indicted for a felony will be suspended from office, without pay, until acquitted and the office filled as hereinbefore provided for the period of suspension.

Responsibilities

- (1) To be responsive to and represent the wishes of the citizens;
- (2) To establish goals and priorities through approval of objectives, plans, and budgets;
- (3) To consider, evaluate and establish laws, policies, regulations and procedures.

The Role of the Staff to the City Commission

- (1) To implement the goals of the City Commission;
- (2) To suggest objectives, plans, and budgets for approval by the City Commission consistent with approved goals;
- (3) To implement City Commission approved objectives, plans and budgets;
- (4) To provide the City Commission with adequate, competent information and professional recommendations upon which the Commission may rely in making decisions and to refrain from criticism of those decisions once made;
- (5) To manage the day-to-day affairs of City government;
- (6) To suggest to the Commission new laws, regulations, and policies or modifications to existing ones.

Fiscal Policy Statement

The City has an important responsibility to its citizens to correctly account for public funds, to manage municipal finances wisely, and to plan for adequate funding of services desired by the public. With the change in federal policies toward local government and the rate of growth in our area, the City needs to ensure that it is capable of adequately funding and providing local government services needed by the community.

Sound fiscal policies that are realistic and consistent provide useful guidance for the long-term programming of services and facilities. They also provide a set of assumptions under which budget and tax decisions should be made. While established for the best management of governmental resources, generally accepted fiscal policy also helps set the parameters for government's role in the broader economy of the community.

Financial Structure

To provide proper accountability for the different kinds of resources, "funds" are established. Each fund is isolated with its own resources, liabilities and residual balance. Funds with similar objectives, activities and legal restrictions are, for reporting purposes, placed in one of three groups:

Governmental Funds: Governmental Funds account for general governmental activities, such as law enforcement, which are largely supported by taxes and fees. They are accounted for on a "spending" or financial flow basis.

Governmental Funds include the following five fund types:

- a. The General Fund accounts for all resources not reported in other funds. Most citywide activities are accounted for in this fund.
- b. Permanent Funds account for resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the government's programs (i.e., for the benefit of the government or its citizenry).
- c. Special Revenue Funds account for resources received from special sources, dedicated or restricted to specific uses.
- d. Debt Service Funds account for the accumulation of resources for, and the payment of, interest, principal and other costs of long-term debt.

- e. Capital Project Funds account for the accumulation and use of resources for the acquisition of major buildings and other capital facilities where a specific project is designated or required.

Proprietary Funds: Proprietary Funds account for those activities which are provided on a basis consistent with private enterprise. They are accounted for on a cost of service or “capital maintenance” basis.

Proprietary Funds include the following fund type:

Enterprise Funds account for activities, such as water and wastewater services, which are similar to those provided by private enterprise and whose costs are substantially or totally recovered from user charges or from revenue sources other than general governmental revenue.

Fiduciary Funds: Fiduciary Funds account for assets belonging to others which are under City control for administration, but are not available to support the City’s own programs.

Fiduciary Funds include the following fund type:

Pension Trust Funds account for resources required to be held in trust for the members and beneficiaries of defined benefit pension plans.

Budget Process

The City’s budget process is conducted within the framework of the Finance Department’s fiscal policies, financial forecasts and financial trends. The budget documents serve four fundamental purposes:

Policy Document:

The budget documents contain information that allows the City Commission an opportunity to review policies and goals that address long-term concerns and issues of the City and evaluate City services.

Operations Guide:

The budget describes activities, services and functions carried out through departmental goals and objectives and continuation of performance indicators. The document includes departmental business plans and organizational layouts for the City.

Financial Plan:

The budget presents the City’s fiscal resources through a process of needs analysis, service delivery priorities and contingency planning. The document includes the current and long-term debt obligations, and a 5-Year Capital Improvement Plan.

Communications Device:

The budget seeks to communicate summary information, including an overview of significant budgetary issues and trends, to aid the reader in interpreting the documents. It describes the process for preparing, reviewing and adopting the budget for the fiscal year. The document has been drafted with the goal of providing information that will be valuable and understandable to the average reader.

Budget Preparation

In May the Finance Department developed a fiscal model to project revenues and expenditures for the next fiscal year. This model provides the City with a clear vision of the level of financial control needed to develop upcoming fiscal year budgets. Based on the model's results, target expense levels for FY 2010/11 were provided to operating divisions. Those divisions were challenged to maximize services while maintaining a budget within the City's fiscal capacity.

During the FY 2010/11 budget cycle, the Finance Department made available to each department a budget manual and access to the financial accounting software so that each department's budget could be entered into the system to compare to last fiscal year actual and current fiscal year-to-date projected figures. This provided a helpful tool to the departments to determine a realistic budget.

Another effort to streamline the budget process included developing and presenting capital improvement budgets simultaneously with operating budgets. This provided a clear picture of the impact of capital improvements on operating budgets. It also allowed divisions to concentrate on putting a realistic business plan together for the upcoming fiscal year.

Expenditure levels to be recommended to the City Commission are determined in department meetings with the City Manager. These meetings provide each department director with the opportunity to discuss his or her budget and the programs it provides. A Commission workshop in August provides a forum for finalizing spending plans, the proposed millage rate, and policy issues. Copies of the proposed budget are distributed to department directors and made available for inspection by the general public prior to the final budget hearings in September.

Following Commission approval of the final spending plan, Finance Department staff will prepare the approved budget for distribution to departments and other interested parties. The budget for the upcoming year becomes effective October

1st and the spending plan, as authorized by the Commission, will be implemented throughout the fiscal year.

Budgetary Basis

The City adopts budgets for all Governmental Funds and Fiduciary Funds on a modified accrual basis. The budgets for Proprietary Funds are adopted on an accrual basis. However, depreciation expense is not budgeted, whereas expenditures for capital outlays are budgeted. These outlays are capitalized into fixed assets and eliminated from the results of operations on a Generally Accepted Accounting Principles (GAAP) basis.

Fund balance allocations (residual unappropriated liquid assets resulting from prior years' operations) are budgeted and included as revenue or expenditure/expense on a budgetary basis but are eliminated on a GAAP basis for financial reporting.

Budget Adoption and Modification

The City Commission annually adopts, by ordinance, a balanced budget for all funds of the City, whereby budgeted revenues equal budgeted appropriations within each fund. Budgetary authority is legally maintained at the fund level. Amendments to the adopted budget can occur at any time during the fiscal year through action of the City Commission or the City Manager in the following manner:

1. Budget Amendments: Fund revenue and expenditure amounts may be increased or decreased by formal action of the City Commission following proper public notice as specified in Chapter 129.03(a) of the Florida Statutes. Amendments to adopted budgets normally result from either: (a) the desire to recognize an unanticipated excess amount of an anticipated revenue; or (b) the unanticipated decrease of an anticipated revenue. The purpose of the amendment process is to adjust fund amounts to reflect the level of revenues reasonably anticipated to be received and to balance expenditures to these revenues in accordance with state law and sound fiscal practices.
2. Budget Transfers: Operating unit budgets may be amended by formal transfer action. Budget transfers, which are intrafund in nature, may be approved by the City Manager. A record of such intrafund transfers is maintained by the Finance Department. Budget transfers, which are interfund or involve fund reserve distributions, must be reviewed and formally approved by the City Commission prior to execution.

Additions to approved positions during the budget year require City Commission review and approval. As previously delegated by the City Commission, personnel reclassifications may be approved by the City Manager.

During the fiscal year, the Finance Department coordinates an interim budget review process. All departments review revenue and expenditures to-date. A budget amendment is prepared for the City Commission to formally adopt any mid-year amendments. The formal interim budget adjustment has proven to be an effective process for the City in ensuring needs are being continually met and the operational and capital improvement plans are adequate.

Capital Budgeting

The City maintains a Capital Improvement Program (CIP), which covers a five-year period and is updated annually. The Finance Department determines the amount of funds available for capital projects. Proposed projects are prioritized and the available funds are allocated accordingly. The Capital Improvement Projects detail is included in the 5-Year Capital Improvement Plan section of this book, but the funding for these projects is included in the budget in each appropriate division.

FY 2011/12 Budget Assumptions

Based on available economic data and the City Manager's priorities, the Fiscal Year 2010/11 Revenue and Expenditure/Expense budgets were prepared using the following:

Revenues:

- Ad valorem revenues were budgeted at 96%.
- The proposed citywide millage rate remained at \$4.2500 mills.
- Interest income projections reflect maintenance of current interest rates.
- The budget for certain revenues funded by the State, including the local government half-cent sales tax, was prepared based on estimates provided by the Florida Legislative Committee on Intergovernmental Relations. These revenues may be revised during FY 2011-12 based on updated projections or economic changes. The City has adjusted the State's projected revenues due to the economic conditions we are currently facing. Therefore, balancing a budget with less than State projected revenues to limit the impact of an adjustment in the first or second quarter of the new fiscal year to the city.

Expenditures/Expenses:

- Personal Services: Budgeted figures for salaries include a 2.5% cost-of-living/merit increase for all employees.

- Operating Expenditures/Expenses: Departments were requested to submit a reduced budget after adjustments for salaries and capital expenditures in an effort to operate within revenues estimated to increase marginally.
- Capital Outlay: Departments were requested to provide thorough justifications for all capital equipment needs. Special attention was given to heavy equipment by looking at creative alternatives such as leasing, contract services, and equipment sharing.
- Capital Improvements: Projects were budgeted according to prioritized needs and funds availability. The detailed listing of projects by fund is located in the 5-Year Capital Improvement Plan.
- Reserves: Efforts have been made to maintain reserves at a healthy level while continuing to provide excellent services to the citizens.

Analyzing Services and Planning a Strategy

In an effort to shape the current and future goals of the City, Winter Garden's strategic planning process is in full swing. Strategic planning is one step in a seven step series that utilizes citizen based performance and a budget management program. This leads to the formation of a vision and guidance for the City which, in turn, shapes the goals and objectives of each department operation. The citizen based performance and budget management program involves the following seven steps:

- : : Citizen input – survey, HOA coalition, plus more
- : : Strategic Planning – compile and analyze data
- : : Program/Activity planning
- : : Budget for results
- : : Manage for results
- : : Measure and evaluate results
- : : Report results

The strategic plan is explained, and the departmental business plans for the upcoming year are featured, in the next section of this budget book.

Fund Balance

Section 166.241 of Florida Statutes requires budgets to be balanced, meaning total revenues must equal total estimated expenditures for each fund. Therefore, if anticipated revenues equal estimated expenditures, it can be assumed that the beginning fund balance will be maintained. Fund balance may be used as a source of revenue if there is an imbalance between revenues and expenditures. Since reserves are created over time, drawing down on reserves should be done in measured amounts and for specific purposes. Structural imbalances (revenue insufficient to support ongoing expenditure requirements) cannot be sustained through the use of reserves and must be appropriately addressed.

A major indicator of the City's fiscal health is the reserve balance maintained in the General Fund. The Government Finance Officers Association (GFOA) recommends maintaining an unreserved fund balance in the General Fund of no less than five to fifteen percent of regular operating revenues, or of no less than one to two months of regular operating expenditures, for all general-purpose governments, regardless of size. The City's target is 30 percent of expenditures.

The following table contains a list of major governmental City funds and nonmajor governmental funds in the aggregate that have a fund balance, the expected draw on or addition to fund balance in the current year, and the use of or addition to fund balance in the proposed budget. The amount shown as "Expected Change FY2010/2011" is the budgeted use of fund balance since this fiscal year is still underway at the time of publication. There is no expectation that final year-end results will necessitate a draw greater than the amount in the schedule and it is quite possible, in some instances, that the required draw will be less than what is shown. Following the table is a detailed discussion for fund balances presented that are expected to change more than 10%.

Fund Balance Status

Fund	Fund Balances 09/30/2010	Expected Change FY 10/11	Estimated Balance 09/30/2011	Budgeted Change FY 11/12	Projected Balance 09/30/2012	Percent Change FY 11/12
General Fund	\$ 7,325,705	\$(2,198,361)	\$ 5,127,344	\$ 523,878	\$ 5,651,222	10.2%
Community Redevelopment Agency	(255,036)	(5,239)	(260,275)	(33,179)	(293,454)	12.8%
Impact Fee	22,572,116	(12,328,616)	10,243,500	12,291,519	22,535,019	120.0%
Nonmajor Governmental	1,701,804	(772,097)	929,707	(796,721)	132,986	(85.7%)
Total Governmental Funds	\$31,344,589	\$(15,304,313)	\$16,040,276	\$11,985,497	\$28,025,773	74.7%

Changes in Fund Balance Greater than 10%

General Fund

The General Fund is the primary operating fund of the City. It is used to account for all financial resources of the City except those required to be accounted for in another fund. The projected addition to fund balance is primarily due to efforts to bring it above a target of 30% of expenditures.

Community Redevelopment Agency Fund

The Community Redevelopment Agency receives tax increment revenues from the City and County which must be used to revitalize the Community Redevelopment Area. The Community Redevelopment Agency Fund is used to account for the collection of these tax increment revenues and the allocation of those fees to these revitalization efforts. Fund (deficit) is projected to increase in FY 2011/2012 due to an increase in planned projects from the prior year.

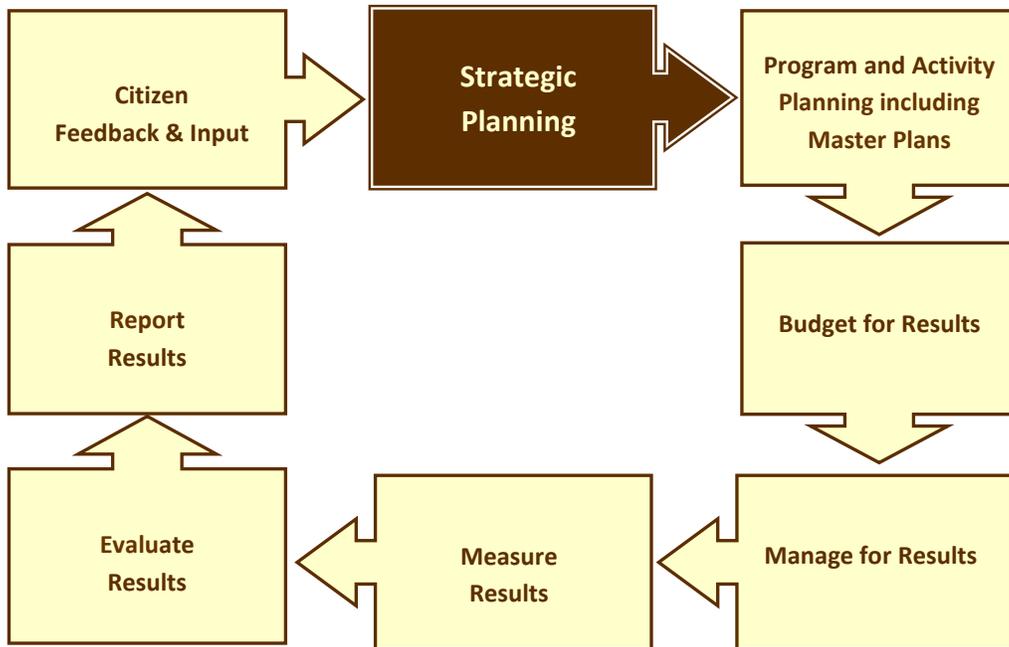

Impact Fee Fund

The City assesses impact fees on new development for police, fire, recreation, and transportation. The Impact Fee Fund is used to account for the collection of impact fees and the allocation of those fees to capital projects. Since funds are collected at the time a building permit is issued, the City has impact fee revenue that it holds pending the construction of capacity-related projects. The projected addition to fund balance for FY 2011/2012 is due primarily to a budgeted debt issuance revenue in the amount of \$13,189,807. These funds will be spent in subsequent fiscal years for a major transportation project that will increase road capacity on County Road 545.

Nonmajor Governmental Funds

Fund balance of Nonmajor Governmental Funds will be utilized in FY 2011/2012. This is primarily due to nonrecurring projects funded in the Local Option Gas Tax Fund.

Strategic Planning Model

Performance Management Model

The Winter Garden Way

Mission Statement

To be the best small city in the State of Florida

Our Vision

Winter Garden will be a safe, family-oriented city growing according to a plan that enhances our sense of community;

Providing many varied recreational, cultural, educational and housing opportunities for diverse families and individuals;

Creating the business- friendly environment necessary to attract and retain quality companies, supporting well paid employment opportunities for all our residents;

Setting aside sufficient green space to protect our natural environment;

And preserving the character, charm and history that define us.

Core Values

Deliver **quality services equitably** and **respectfully**.

Provide **transparent** and **accountable** government.

Encourage **civic engagement** from the entire community.

Provide **sound fiscal management** in order to maintain a low tax rate.

Maintain the highest levels of **honesty** and **integrity**.

Hire, retain, develop and promote **top talent** based on merit and qualifications.

Strive for **continuous improvement** through innovative solutions.

Foster a culture of **teamwork** and **collaboration**.

STRATEGIC PRIORITIES & GOALS

ENSURE A SAFE COMMUNITY

Aim police presence at property and personal crimes to ensure residents feel safe in all parts of Winter Garden, day or night.

FIRE & RESCUE

Protection and preservation of life and property

POLICE

Increase sense of safety throughout downtown and all residential communities

ENCOURAGE A THRIVING COMMUNITY

Encourage a sustainable thriving economy that maintains a prosperous downtown and good jobs for people with different skills.

COMMUNITY DEVELOPMENT

Provide a user friendly environment to promote desirable business in the community

Reduce and effectively manage Building's operating cost

ECONOMIC DEVELOPMENT

Provide a business-friendly environment that creates desirable and successful businesses

Establish programs that encourage entrepreneurship and business start ups to bolster commerce

Encourage a vibrant downtown, which in turn creates a thriving City

PROTECT THE SENSE OF COMMUNITY

Protect the history and small town character of Winter Garden to preserve its sense of community.

COMMUNITY DEVELOPMENT

Protect historic areas of the City (commercial and residential areas)

COMMUNITY RELATIONS

Provide an improved sense of community inclusion

ECONOMIC DEVELOPMENT

Create a marketing strategy that targets and recruits entrepreneurs and outside visitors

PROVIDE AN ATTRACTIVE COMMUNITY

Keep the City and its gateway corridors attractive and clean.

COMMUNITY DEVELOPMENT

Improve the aesthetics of both public and private areas of the City

PUBLIC SERVICES: Wastewater, Stormwater Collection & Streets

Keep the City corridors attractive and clean

PARKS & RECREATION

Keep pedestrian areas and landscapes beautiful

STRATEGIC PRIORITIES & GOALS, cont'd

PROVIDE SOUND FISCAL MANAGEMENT

Preserve the trust of our citizens through smart, accountable and disciplined management of the City's fiscal affairs.

FIRE & RESCUE

Improve control of Fire Department's operating cost

FISCAL MANAGEMENT

Balance the City's fiscal budget to maintain a low tax rate or millage rate

INFORMATION TECHNOLOGY

Reduce overall technology cost through alternative solutions

PUBLIC SERVICES: Administration

City capital improvements provided at a low cost

UTILITY BILLING

Establish collections policy and procedures to provide savings for the City

PRESERVE THE NATURAL ENVIRONMENT

Protect the natural environment and enhance green spaces.

COMMUNITY DEVELOPMENT

Increase natural land areas throughout the City

FACILITIES MANAGEMENT

Improve sustainability program to make the City more green-friendly

FISCAL MANAGEMENT

Purchase more green-friendly products and supplies

PUBLIC SERVICES: Environmental Services

Protect ground water resources through water conservation

PUBLIC SERVICES: Wastewater, Stormwater Collection & Streets

Reduce pollution in Lake Apopka through cleaner streets and stormwater systems

PUBLIC SERVICES: Administration

More environmentally friendly City with a focus on reducing septic and ground water withdrawals

PUBLIC SERVICES: SOLID WASTE

Improve the natural environment through increased recycling awareness

Reduce the amount of solid waste going into the landfill

PROVIDE RECREATION, ARTS & CULTURE

Provide facilities and programs for recreation, arts and culture that help to keep residents and visitors active and healthy.

PARKS & RECREATION

Provide a variety of quality parks, facilities, recreational and cultural experiences

Provide diverse and high quality micro public events

STRATEGIC PRIORITIES & GOALS, cont'd

SUPPORT PUBLIC EDUCATION & LEARNING OPPORTUNITIES

Support elevating the quality of K-12 public education and broaden opportunities for advanced adult learning.

COMMUNITY RELATIONS

Continue partnering with local schools

RECRUIT AND DEVELOP TOP TALENT

Maximize productivity by acquiring and retaining talent that best matches the City's organizational needs.

HUMAN RESOURCES

Recruit and select high quality candidates for all positions

Increase development opportunities for City employees

INFORMATION TECHNOLOGY

Increase City staff computer proficiency level to enable efficient and effective performance

MAINTAIN QUALITY SERVICES & INFRASTRUCTURE

Maintain a network of high quality services and infrastructure for all parts of Winter Garden.

ENGINEERING

Ensure timely completion of all planned CIP projects annually

Ensure regulatory compliance with FDEP/NPDES permit

INFORMATION TECHNOLOGY

Support Public Services Utilities to ensure proper asset replacement cycles throughout the City

PUBLIC SERVICES: Wastewater & Reclaimed Water

Improve odor control at wastewater treatment facility

PUBLIC SERVICES: Wastewater, Stormwater Collection & Streets

Prolong the service life of the City's infrastructure

PUBLIC SERVICES: Water Treatment & Pumping

Compliance with Consumptive Use Permit

Raise consumer confidence in the City's drinking water

PUBLIC SERVICES: Water/Reclaimed Distribution & Streets

Increase water pressure and minimize water service interruptions for residents

PUBLIC SERVICES: Environmental Services

Reduce Fats, Oils and Grease (F.O.G.) from the wastewater stream through industrial pretreatment public education

PUBLIC SERVICES: Administration

Reduce flooding incidents from adverse weather

STRATEGIC PRIORITIES & GOALS, cont'd

IMPROVE AND MAINTAIN MOBILITY

Create and maintain a network of highways, roads, paths and transportation alternatives that make uncongested links to all parts of Winter Garden.

COMMUNITY DEVELOPMENT

Increase transportation alternatives throughout the City

PUBLIC SERVICES: Water/Reclaimed Distribution & Streets

Improve automobile transportation and pedestrian infrastructure

DELIVER QUALITY SERVICES EQUITABLY & RESPECTFULLY

Ensure the highest level of service excellence in all situations for all stakeholders.

CITY CLERK

Provide requested records in the least amount of time as possible

COMMUNITY RELATIONS

Deliver excellent customer service to all citizens and residents

FACILITIES MANAGEMENT

Provide "best in class" customer service by completing work orders timely & effectively

Ensure high quality janitorial services throughout the City

FISCAL MANAGEMENT

Enable the acquisition of alternative City funding through Federal and/or State grants

FLEET MANAGEMENT

Ensure longevity of City vehicles

HUMAN RESOURCES

Achieve a productive and safe workplace

Promote and encourage healthier employee lifestyles through wellness

INFORMATION TECHNOLOGY

Enable City staff to be more productive in how services are delivered to the community

UTILITY BILLING

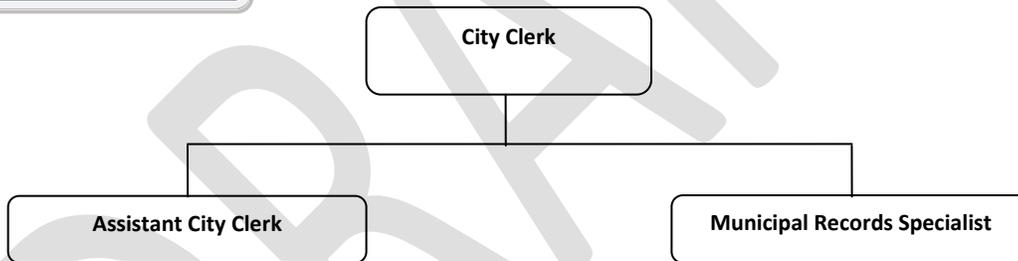

Provide a responsive and consistent Utility Billing service experience

CITY CLERK'S DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Ensure the integrity of the legislative process, municipal elections, administrative support, disseminated information and official public documents.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Proceedings management office of the legislative body • Custodian of the city seal, all ordinances, resolutions, and records of general or permanent character pertaining to the affairs of the city • Administer oaths • Administration of municipal elections
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Receiving more than anticipated records requests • Failure to receive information or requirements in a timely manner • Legislative changes which cause difficulty fulfilling records requests and managing the elections process 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Prompt notification by professional organizations of statutory or administrative law changes • Good partnership with departments to reduce response times • Retain experienced staff

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Deliver Quality Services Equitably and Respectfully

Department Goal
Provide requested records in the least amount of time as possible

Objective

- **Objective 1:** Re-examine/improve the records requests process for standard requests and implement a records management monitoring system to increase the percentage of standard requests fulfilled within 5 business days from **90%** to **92%** by September 2012.

Performance Indicators

Percentage of Standard Requests Fulfilled within 5 Business Days – Number of standard records requests that were received and fulfilled less than or equal to 5 business days compared to total standard records requests fulfilled throughout the fiscal year. Standard records requests are submitted by institutions or commercial entities that reflect moderate levels of detail to compile and fulfill.

KEY PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
OPERATIONAL INDICATORS			
Percentage of Standard Requests Fulfilled within 5 Business Days	79%	90%	92%

COMMUNITY RELATIONS DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Proactively engage the Winter Garden community to establish relationships between the City and its residents, businesses, governmental entities, and other stakeholders.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Lead publicity initiatives with residents and businesses regarding City functions, services and programs • Direct marketing programs to enhance the public image of the City • City liaison with community groups, residents, governmental agencies, and the media
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Apathy towards local government • Difficulty in communicating effectively to various groups due to language and cultural barriers 	<p>BUSINESS ASSUMPTIONS</p> <ul style="list-style-type: none"> • More information provided to citizens will increase their understanding of City functions • Knowledge of events in the City will lead to increased participation and attendance • Citizens want to experience a sense of community and to be a part of their community

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Protect the Sense of Community

Department Goals

Provide and improved sense of community inclusion

Objectives

- **Objective 1:** Encourage residents' sense of inclusion using Community Relations Marketing Plan and Publications to achieve a 'sense of inclusion in City matters satisfaction index of **60%** as well as increase 'public information awareness satisfaction index' from **68%** to **71%** by September 2013.

Performance Indicators

Public Information Awareness Satisfaction Index - Represents an average rating of combined annual citizen survey ratings on how well does the City perform in the area of media and public information relations (represents a **68%** average rating of the following metrics)

- **Read Winter Garden Newsletter Citizen Survey Index (increase from 83% to 87%)** – Percentage citizens who read Winter Garden's Newsletter publication
- **Visited the City of Winter Garden Website Citizens Survey Index (62% to 65%)** – Percentage of citizens who visit the City's website
- **Public Information Services Citizens Survey Index (58% to 60%)** – Percentage of citizens who feel satisfied with the public information services

Sense of Inclusion in City Matters Satisfaction Index – % of Citizens who feel positive about how well the City includes and involves them in government affairs

Goal #2

Support Public Education and Learning Opportunities

Department Goal

Continue partnering with local schools

Objective

- **Objective 1:** Enhance school partnerships through the West Orange Consortium to achieve a 'City participation in schools rating' of **85%** by September 2012.

Performance Indicators

City Participation in Schools Rating – Percentage of principals who rated the City's participation in local public schools (that Winter Garden children attend) as good or excellent (on a 5pt scoring scale) determined by the use of surveys

Goal #3

Deliver Quality Services Equitably and Respectfully

Department Goal

Deliver Excellent Customer Service to all Citizens & Residents

Objective

- **Objective 1:** Develop and improve the GovQa service delivery process to achieve timely and satisfactory outcomes when handling all service needs by realizing a 'service process and service outcome satisfaction rating' of **85%** and **70%**, respectively.

Performance Indicators

Service Process Satisfaction Rating – Citizen satisfaction level of the request process on 5 point scale in Gov QA Satisfaction Survey (excludes anonymous requests)

Service Outcome Satisfaction Rating – Citizen satisfaction level of request outcome on 5 point scale in Gov QA Satisfaction Survey (excludes anonymous requests)

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Encourage a Thriving Economy

Department Goals

*Provide a business-friendly environment that creates desirable and successful businesses
Establish programs that encourage entrepreneurship and business start ups to bolster commerce
Encourage a vibrant downtown, which in turn creates a thriving City*

Objectives

- **Objective 1:** Develop programs that encourage successful businesses through business development, technical assistance and networking to increase ‘employment opportunity satisfaction index’ from **23%** to **35%** by September 2014.
- **Objective 2:** Develop an Economic Investment Program to achieve a business investment success rate of **80%** by September 2013.

- **Objective 3:** Develop a Downtown strategy to strengthen and enhance the District to maintain a downtown occupancy rate of at least **90%** by September 2013.

Performance Indicators

Employment Opportunity Satisfaction Index – Percentage of citizens who feel positive about employment opportunities in the city

Business Community Satisfaction Rating – Number/Percentage of Businesses that are satisfied with WG's business environment and City economic programs. (To survey 200 businesses)

Business Investment Success Rate – Total businesses who meet success criteria after City hand-off compared to total businesses involved in the Economic Investment Program(after City hand-off)

% of Economic Investment Inquiries submitting a program application – Number of economic investment program inquiries (phone, email/website, in person etc...) about program information that converted or made decision to submit a program application.

Downtown Occupancy Rate – Occupied square footage compared to total square footage of Downtown District

Goal #2

Protect the Sense of Community

Department Goal

Create a marketing strategy that targets and recruits entrepreneurs and outside visitors

Objective

- **Objective 1:** Develop a branding strategy that provides a consistent message and image for the City to increase the 'overall image or reputation of Winter Garden satisfaction index' from **77%** to **82%** by September 2013.

Performance Indicators

Overall Image or Reputation of Winter Garden Satisfaction Index – Percentage of citizens who feel positive about the reputation of the city

of New Business Interests/Inquiries – Number of expressed interest and inquiries received by business establishments about business opportunities in WG.

of Business Start-Ups & Expansions – Number of new businesses and expansions annually throughout WG measured by Business Tax data

Brand Impact Rating on New Business Decision – Survey new businesses to learn reasons why they chose Winter Garden

FISCAL MANAGEMENT DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Preserve financial wellness and the fiscal integrity of the City as well as facilitate accounting and procurement standards.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> Financial Management – Treasury, Management & Budgeting, Accounting & Controls Payroll Administration Accounts Payable & Accounts Receivable
<p>CHALLENGES:</p> <ul style="list-style-type: none"> Unfavorable legislative changes Declining property values Economic instability of the state and nation Declining Federal and State funding 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> Favorable audited financial statements Sufficient revenue will be available to maintain current service levels

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Provide Sound Fiscal Management

Department Goal

Balance the City's fiscal budget to maintain a low tax rate or millage rate

Objective

- Objective 1:** Use of quarterly department financial reports for detailed budget variance analysis in order to achieve a 'revised budget to actual' variance of +/- 5% in the City's overall financials by September 2012.

Performance Indicators

Revised Budget to Actual Variance Percentage – Percentage difference between overall actual results and the revised budget expectations relative to the City's financials
of Financial Business Reviews with Departments – Number of times financial business reviews are conducted with department directors
of Financial Business Reviews with City Manager – Number of times financial business reviews or updates are conducted with City Manager (to occur bi-annually)
of 'State of the City' Financial Updates – Number of times 'State of the City' financial updates are shared or presented (semi-annually) to the City's Commissioners

Goal #2

Deliver Quality Services Equitably and Respectfully

Department Goal

Enable the acquisition of alternative City funding through Federal and/or State grants

Objective

- **Objective 1:** Develop grant writing guidelines to increase the grant award success rate from **23%** to **75%** on an annual basis by September 2012.

Performance Indicators

Grant Award Success Rate – Percentage of total awarded grants to the City compared to the total grants written and submitted
Grant Dollars Awarded – Total grant monies awarded to the City annually
of Grants Awarded – Total number of actual grants awarded and received by the City

Goal #3

Preserve the Natural Environment

Department Goal

Purchase more green-friendly products and supplies

Objective

- **Objective 1:** Implement a phased five year Green Purchasing Program, procuring lower cost sustainable materials within budget allocations to overall realize **25%** green products used/purchased by September 2015.

Performance Indicators

% Green Products Used/Purchased – Total number of eco-friendly supply products (office & other supplies) purchased (as certified by the EPA) compared to total supply products purchased annually
Cost Savings Realized from Purchasing Green Products – Dollar savings realized annually from purchasing lower cost "green" product substitutes (Office Supplies/Administration Cost) - represents cost difference of regular products and the cheaper green friendly alternative. Using the online sites for Office Products, we will record the projected savings.

KEY PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target

DRAFT

UTILITY BILLING DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

MISSION STATEMENT: To provide exceptional utilities customer service and an efficient and effective billing process.	CORE FUNCTIONS: <ul style="list-style-type: none"> • Customer Service including a payment center for utility service (water, sewer, solid waste, storm water, irrigation) • Meter Reading management • Account Maintenance including set up, billing, cancellations, collections, and liens
CHALLENGES: <ul style="list-style-type: none"> • Economic pressures could adversely affect delinquencies and cut-offs • Perception of quality customer service could decline if current economic pressures continue 	BUSINESS ASSUMPTIONS: <ul style="list-style-type: none"> • Paperless work order system available in 2010 • Cut-off and delinquency/lien rates will remain stable

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Deliver Quality Services Equitably and Respectfully

Department Goal

Provide a responsive and consistent Utility Billing service experience

Objective

- **Objective 1:** Improve customer service delivery through a reinforced service training initiative to achieve a service resolution satisfaction rating of **75%** on a monthly basis by September 2012.

Performance Indicators

Service Resolution Satisfaction Rating-Field Tech – Percentage of Field Tech customer service surveys submitted that were rated as good or excellent.

Service Resolution Satisfaction Rating-Customer Svc Rep – Percentage of Customer Service Reps. customer service surveys submitted that were rated as good or excellent.

Field Customer Svc Survey Response Rate – # of surveys left at the customers home vs. the # turned in for review/comment

Customer Svc Rep Surveys Received – # surveys received in the lobby

Goal #2

Provide Sound Fiscal Management

Department Goal

Establish collections policy and procedures to provide savings for the City

Objective

- **Objective 1:** Develop collections policies and procedures to increase the inactive account collection rate from **80%** to **85%** on a monthly basis by September 2012.

Performance Indicators

Inactive Account Collection Rate – Percentage of inactive accounts (> 90 days past due) successfully collected-in-full compared to total inactive collectible accounts

KEY PERFORMANCE INDICATORS & TARGETS

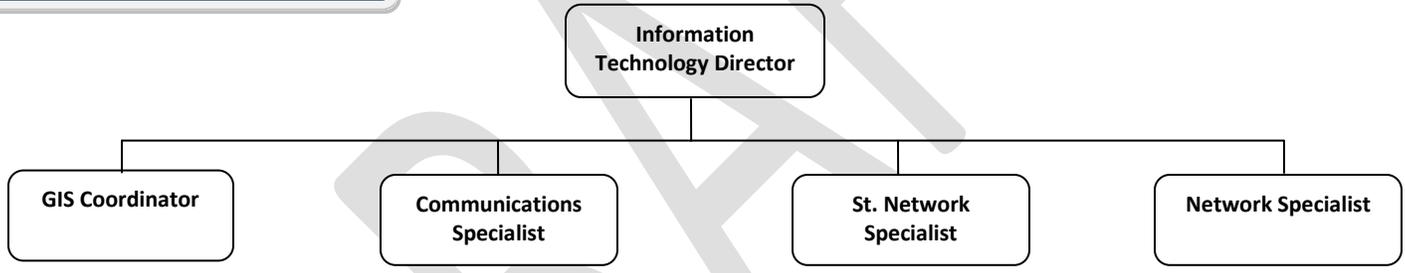

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
Service Resolution Satisfaction Rating-Field	N/A	N/A	75%
Service Resolution Satisfaction Rating-Customer Svc	N/A	N/A	75%
OPERATIONAL INDICATORS			
Field Customer Svc Survey Response Rate	N/A	10	60%
Customer Svc Rep Surveys Received	N/A	32	1,200
Inactive Account Collection Rate	N/A	80%	85%

INFORMATION TECHNOLOGY DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Provide timely and effective end-user support to ensure that all information and communication systems are secure, reliable and performing as expected.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> Integrate and support computer hardware, software, and voice technology Provide quality Geographic Information Services Support internal service requests
<p>CHALLENGES:</p> <ul style="list-style-type: none"> Service demands may exceed staff's ability to fully meet operational needs Failure to receive information or requirements in a timely manner Upfront costs of IT based solutions may not always be affordable 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> Current security setup will adequately guard data and overall network integrity Call volumes will remain at a manageable level Level of staff training will be adequate for any changes in technology

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Deliver Quality Services Equitably & Respectfully

Department Goal

Enable City staff to be more productive in how services are delivered to the community

Objectives

- Objective 1:** Monitor and evaluate the success of staff GIS usage by achieving a GIS usefulness satisfaction rating of **80%** or higher by September 2012.
- Objective 2:** Rollout Service delivery strategies training to enhance the overall IT Helpdesk experience and ensure an IT overall service satisfaction rating of **90% or above** by September 2012.

Performance Indicators

GIS Usefulness Satisfaction Rating – Percentage of city staff trained who are satisfied with the use of GIS to perform their job
GIS Usage and Education Survey Response Rate – Number of GIS usage surveys sent / number returned as a percentage
IT Overall Service Satisfaction Rating – Percentage of staff from the quarterly City-wide customer service survey who had service interactions with IT and feel very satisfied with the service level quality and professionalism
Positive Helpdesk Ticket Satisfaction Rate – Percentage of times a positively rated score (satisfied or very satisfied) occurs on a monthly basis compared to all scores submitted
% of Responses to Helpdesk survey– Number of Helpdesk surveys sent / number returned as a percentage

Goal #2

Maintain Quality Services and Infrastructure

Department Goal

Support Public Services Utilities to ensure proper asset replacement cycles throughout the City

Objective

- **Objective 1:** Establish an initiative to collect and populate GIS with all Utility asset "build dates" to help determine proper asset replacement cycles and ensure that no more than **25%** of Utility assets are overdue for replacement by September 2014.

Performance Indicators

% of Utility Assets Overdue for Replacement – Utility assets identified as being past their recommended replacement cycle compared to all GIS documented Utility assets
% of Utility Assets Documented in GIS – Utility assets identified with asset date of installation in GIS compared to total Utility assets in GIS

Goal #3

Recruit and Develop Top Talent

Department Goal

Increase City staff computer proficiency level to enable efficient and effective performance

Objective

- **Objective 1:** To enhance Information & Communication systems knowledge through new and ongoing staff training to achieve an information & communication systems proficiency satisfaction rating of **80%** by September 2013.

Performance Indicators

Information & Computer Systems Proficiency Satisfaction Rating – Percentage of City staff who feel satisfied with their computer usage proficiency level on new PC image (90 days post training) compared to total number of City staff who attended the training
Avg. Information & Communication Systems Test Pass Rate – Average pass rate of 80% or better for each staff trained

Goal #4
Provide Sound Fiscal Management

Department Goal

Reduce Overall Technology Cost through Alternative Solutions

Objective

- **Objective 1:** Evaluate and determine cost saving opportunities to shift technology utilization from Hardware based to Software based to achieve an accumulated cost savings of **\$100,000** by September 2013.

Performance Indicators

Cost Savings Realized from Hardware to Software Utilization – Accumulated costs saved or avoided (in dollars) as result of taking advantage of opportunities to shift from Hardware based to Software based IT solutions

KEY PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
GIS Usefulness Satisfaction Rating	N/A	TBD	80%
IT Overall Service Satisfaction Rating	N/A	N/A	90%
Helpdesk Ticket Satisfaction Rate	N/A	98.6%	93%
Information & Computer Systems Proficiency Satisfaction Rating	N/A	N/A	80%
FINANCIAL INDICATORS			
Cost Savings Realized from Hardware to Software Utilization	N/A	N/A	\$50,000
OPERATIONAL INDICATORS

COMMUNITY DEVELOPMENT DEPARTMENT

BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: To grow a sustainable City while preserving and enhancing both its natural and built environments.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Oversee Development Review of Land Development Projects • Maintain City's Comprehensive Plan • Maintain and update City's development codes • Review building plans • Issue building permits • Conduct building inspections • Enforce City codes • Collect business taxes
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • DCA's finding of non-compliance of the City's Comprehensive Plan • Legislative growth management mandates • Potential unfavorable effects of Hometown Democracy (Amendment 4 – 2010) on City's Comprehensive Plan • Declining economy's effect on development and re-development 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Funding levels for staff and equipment needs will remain as expected • Political support in place to grow community in a responsible manner • Necessary tools will be available to enable an effective and efficient Development Review Process

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Improve and Maintain Mobility

Department Goal

Increase transportation alternatives throughout the City

Objective

- **Objective 1:** Modify and implement multi-modal mobility plan to increase 'traffic flow on major streets satisfaction index' from **58%** to **65%** by September 2013.

Performance Indicators

Traffic Flow on Major Streets Satisfaction Index – Percentage of citizens who feel positive about traffic movement throughout the city

Goal #2

Encourage a Thriving Economy

Department Goals

*Reduce and effectively manage Building's operating cost
Provide a user friendly environment to promote desirable businesses in the community*

Objectives

- **Objective 1:** Evaluate operating cost and address inequities in permitting fee schedule to achieve a permitting revenue to expense ratio from **78%** to **100%** on a monthly basis by September 2012.
- **Objective 2:** Evaluate and improve Building process for plan review and permitting to reduce average overall permitting turnaround time by **66%** from **29** days to **10** days by September 2012.

Performance Indicators

Permitting Revenue to Expense Ratio – Total permit fees received compared to cost of issuing permits
Building's Operating Cost – Total annual Building Dept. operating cost (labor & overhead) broken out by month
% of Building's Operating Cost Reduced – Percentage year over year change (increase or reduction) in Building's operating cost (labor & overhead) broken out by quarter
% of Permitting Fees Collected Below Cost – Number of permit services where true cost of service provided exceeded actual permit fee revenues received compared to total permit services.
Average Overall Permitting Turnaround Time – Time taken to turnaround commercial and residential permit requests from application to permit issuance
Average Commercial Permitting Turnaround Time – Overall permitting turnaround time for commercial applications only from application to notice of permit issuance
Average Residential Permitting Turnaround Time – Overall permitting turnaround time for residential applications only from application to notice of permit issuance
% of Commercial Permits within Review Standard – Number of commercial permits that were turned around within the required # of review days for all commercial permit types compared to total commercial permits processed.
% of Residential Permits within Review Standard – Number of residential permits that were turned around within the required # of review days for all residential types compared to total residential permits processed.

Goal #3

Protect the Sense of Community

Department Goal

Protect historic areas of the City (commercial and residential areas)

Objective

- **Objective 1:** Inform and assist citizens and businesses with compliance to historical overlay ordinance to achieve an overall city-wide 'historical preservation citizen satisfaction index' of **60%** by September 2013.

Performance Indicators

***Historical Preservation Citizen Satisfaction Index** – Percentage of citizens who feel positive about the effectiveness of the City in historical preservation.*

***Historical Preservation Local Organization Satisfaction Rating** – Percentage of opinions (from "watch-dog" organizations) feeling positive or satisfied with the City's efforts in preserving the historical structures and character throughout the Downtown District.*

Goal #4

Preserve the Natural Environment

Department Goal

Increase natural land areas throughout the City

Objective

- **Objective 1:** Include policies in the City's Comprehensive Plan to increase the 'preservation of natural land areas satisfaction index' from **53%** to **70%** by September 2013.

Performance Indicators

***Preservation of Natural Land Areas Satisfaction Index** – Percentage of Citizens who feel positive about Winter Garden's preservation of open space, farmlands and greenbelts*

Goal #5

Provide an Attractive Community

Department Goal

Improve the aesthetics of both public and private areas of the City

Objective

- **Objective 1:** Revamp code enforcement efforts to increase the 'code enforcement satisfaction index' from **36%** to **50%** by September 2013.

Performance Indicators

Code Enforcement Satisfaction Index – Percentage of citizens who feel positive about the enforcement of the City's Code throughout Winter Garden

% Citizen Initiated Complaints – Number of citizen reported complaints received by phone, e-mail and GovQa compared to total complaints received (from all sources)

% Citizen Initiated Complaints that Become Violations – Percentage of reported complaints which become actual cases reported by citizens

% Staff Driven Violations – Number of code cases reported or generated by staff compared to total code cases

Average Days Taken to Close a Code Case – Number of days to obtain compliance on a violation once it becomes a case

FIRE/RESCUE DEPARTMENT

BUSINESS PLAN & KEY PERFORMANCE INDICATORS

MISSION STATEMENT: Protect life and property from fire and other emergencies within our community through public education, fire code management, and timely responses to incidents.	CORE FUNCTIONS: <ul style="list-style-type: none">• Fire, medical, and other incident responses• Fire inspections• Emergency Preparedness
CHALLENGES: <ul style="list-style-type: none">• Insufficient funding to maintain service levels in a poor economy• Inability to implement creative staffing solutions due to inexperienced employees	BUSINESS ASSUMPTIONS: <ul style="list-style-type: none">• Sufficient funding to accomplish the goals of the department• Reliable dispatching/communication services• Citizens will respond well to outreach efforts

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Ensure a Safe Community

Department Goal

Protection and preservation of life and property

Objectives

- **Objective 1:** Prepare community for natural disasters and other emergency situations by rolling out an emergency awareness campaign/program and distributing resource kits to improve the 'emergency preparedness satisfaction index' from **58%** to **65%** September 2013.
- **Objective 2:** Improve the 'fire prevention & education satisfaction index' from **71%** to **76%** through a continued fire prevention outreach campaign to conduct smoke detector inspections in all manufactured homes by September 2013.
- **Objective 3:** Expand the Citizen/Business Owner CPR training program to improve the 'CPR certified per 1,000 residents ratio' of **3.26** to **8.8** (where for every 1,000 residents there are 9 individuals in the community trained to use CPR) by September 2012.

Performance Indicators

Emergency Preparedness Satisfaction Index – Percentage of Citizens who feel positive about how prepared the Fire Department is for emergencies

Fire Prevention & Education Satisfaction Index – Percentage of Citizens who feel positive about the Department's efforts to promote fire prevention and education

CPR Certified / 1,000 Residents Ratio – The number of individuals (residents and business owners) who are CPR trained and certified to-date compared to per 1,000 Winter Garden residents in any given year. (Formula: Total number of residents CPR trained / (Total City population (34,000) divided by 1,000 = 34). Alternatively, this measure reflects the number of WG residents who are trained in CPR life-saving techniques on a per 1,000 residents basis.

Goal #2

Provide Sound Fiscal Management

Department Goal

Improve control of Fire Department's Operating Cost

Objective

- **Objective 1:** Establish, implement and monitor a firefighter staffing plan to include policies and management practices that will reduce 'labor cost percentage of total Fire Department expenses' from **87.9%** to **TBD%** and 'over-time cost percentage of total Fire Department expenses' from **6.7%** to **TBD%** by September 2013.

Performance Indicators

Labor Cost % of Total Fire Dept. Expense – Labor expenditures (salaries, wages, OT and benefits in dollars) realized monthly/annually compared to total Fire & Rescue Department expenditures

Fire Labor Expense Variance to Budget – Difference or change (in dollars) between actual and budgeted labor expenditures in the Fire & Rescue Dept.

Over-Time Cost % of Total Fire Dept. Expenses – Total labor over-time expenses (in dollars) realized monthly/annually compared to total Fire & Rescue Department expenditures

Fire OT Expense Variance to Budget – Difference or change (in dollars) between actual and budgeted over-time expenditures in the Fire & Rescue Dept.

KEY PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
Emergency Preparedness Satisfaction Index	58%	TBD	65%
Fire Prevention & Education Satisfaction Index	71%	TBD	76%
FINANCIAL INDICATORS			
Labor Cost % of Total Fire Dept. Expense	73.7%	87.9%	TBD
Fire Labor Expense Variance to Budget	(\$170,908)	(\$217,749)	TBD
Over-Time Cost % of Total Fire Dept. Expenses	7.3%	6.7%	TBD
Fire OT Expense Variance to Budget	(\$106,202)	(\$61,533)	TBD
OPERATIONAL INDICATORS			
CPR Certified / 1,000 Residents Ratio	2.94	3.26	8.8

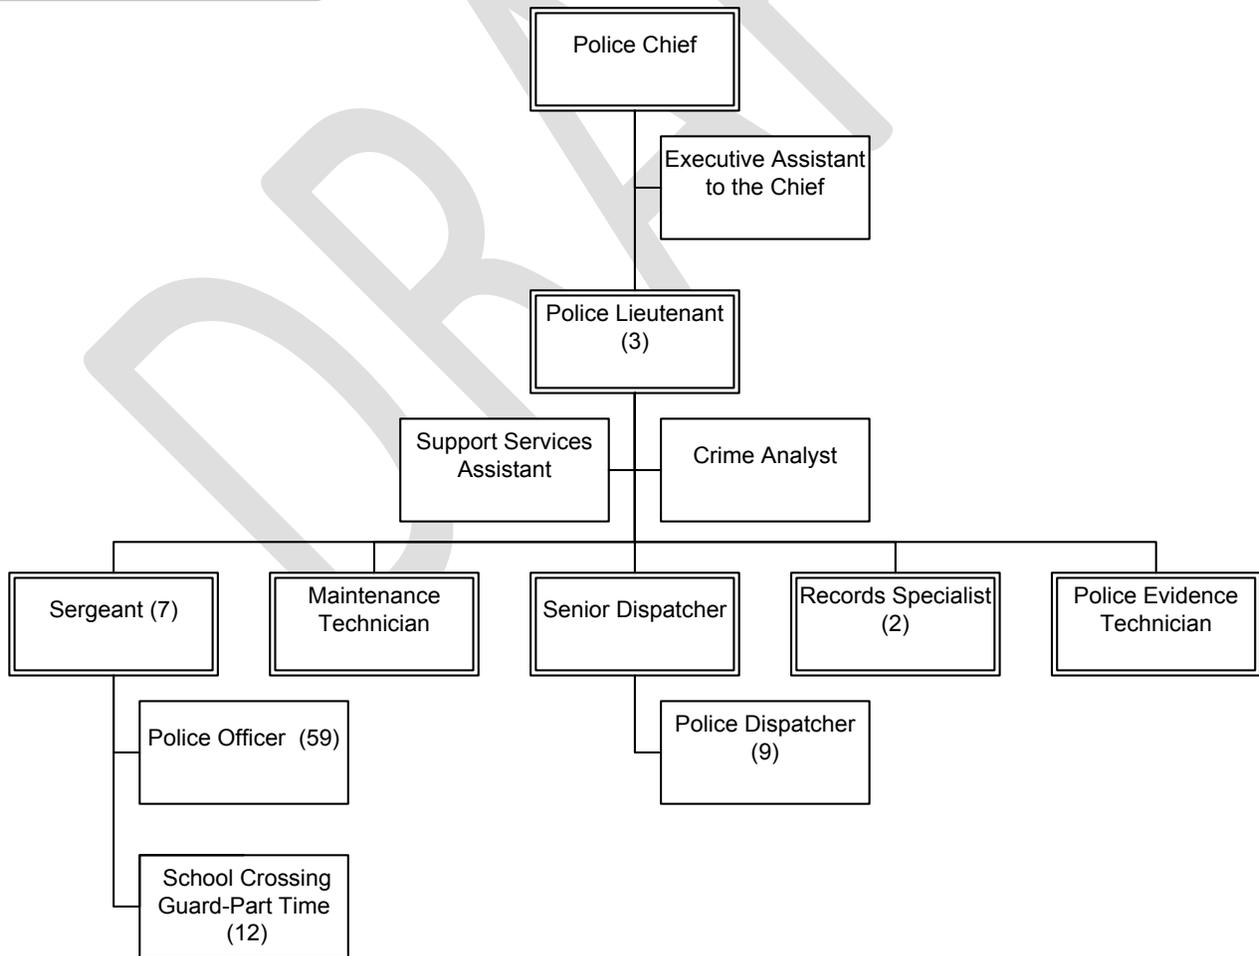

POLICE DEPARTMENT

BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Create safe communities by building partnerships to prevent crime and utilizing modern technology to target criminal activities.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Patrol • Criminal Investigations • Community Oriented Policing • Forensics • Dispatch (911 and Non-Emergency Services)
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Prolonged economic pressures could increase crime and negatively affect police resources • Citizen’s apathy towards public safety initiatives • Increased traffic crashes due to road construction on major arteries 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Citizens will respond favorably to outreach efforts • Economy will stabilize • Staffing levels will remain • Sufficient forfeiture revenue to support ‘at risk youth’ programs

Organizational Structure

FY 2010-2011 GOALS AND OBJECTIVES

Goal #1

Ensure a Safe Community

Department Goal

Increase sense of safety throughout downtown and all residential communities

Objectives

- **Objective 1:** Identify and address crime trends to improve the perceived 'safety from property crime index' from **51%** to **56%** by September 2013.
- **Objective 2:** Expand Crime Prevention initiatives to improve the 'crime prevention index' from **60%** to **66%** by September 2013.
- **Objective 3:** Provide proactive education and community awareness through increased use of technology-based solutions to improve the 'average safety in your neighborhood index' from **80%** to **85%** by September 2013.
- **Objective 4:** Improve patrol presence and activity throughout the downtown district to increase the overall 'safety in downtown Winter Garden after dark index' from **68%** to **85%** by September 2013.

Performance Indicators

***Safety from Property Crimes Index** – Percentage of citizens who feel safe from property crimes*
***Crime Prevention Index** – Percentage of citizens who feel positive about crime prevention efforts throughout the City*
***Average Safety in Your Neighborhood Index** – Combined percentage rating of citizens who feel positive about safety in their neighborhood during the day and after dark*
***Safety in Downtown Winter Garden After Dark Index** – Percentage of citizens (residents and merchants) who feel safe after dark in Winter Garden's downtown district*

KEY PERFORMANCE INDICATORS & TARGETS

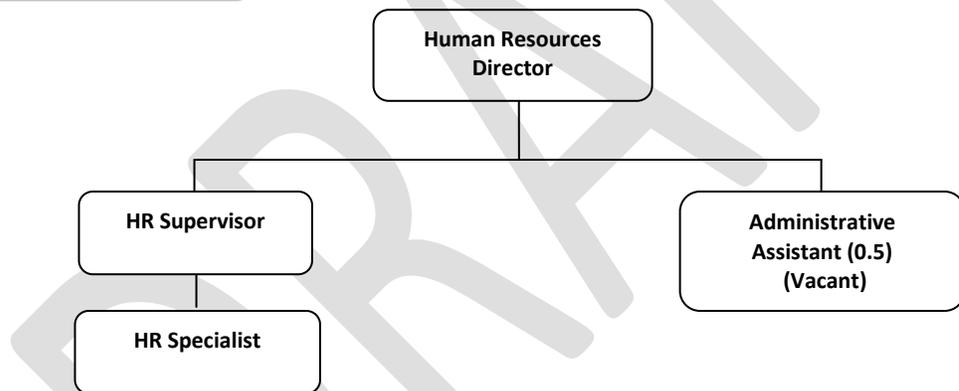

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
Safety From Property Crime Index	51%	TBD	56%
Crime Prevention Index	60%	TBD	66%
Average Safety in Your Neighborhood Index	80%	TBD	85%
Safety in Downtown Winter Garden after Dark Index	68%	TBD	85%

HUMAN RESOURCES DIVISION BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: To recruit, retain, develop and support a skilled, diverse workforce.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Recruitment and Retention • Employee Support Services • Organizational Development • Employee Relations • Risk Management
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Uncertainty of healthcare cost increases • Excessive turnover • Insufficient recognition and incentives to motivate employees • Difficulty improving efficiency due to lack of an HR management system • Loss of key personnel 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Employees will want to continue to learn and improve skills if given the opportunity • Will have the resources to continue rewarding employees for high performance levels

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Recruit and Develop Top Talent

Department Goals

*Recruit and select high quality candidates for all positions
Increase development opportunities for City employees*

Objectives

- **Objective 1:** Improve the overall recruitment and on-boarding procedures to achieve an overall employee on-boarding satisfaction rate of **80%** September 2013.
- **Objective 2:** Develop training to increase level of general employee knowledge to achieve a test pass rate of at least **80%** by September 2012.

Performance Indicators

Employee On-Boarding Satisfaction Rate – Number of employees surveyed who felt very satisfied about their on-boarding experience – to occur 90 days after hire date.

Test Pass Rate – Number of employees who took a training class and earned a passing score on the exit exam compared to total employees who took a training class

Training Experience Satisfaction Rating – Number of employees trained who found the training experience very satisfactory (measuring delivery & learning experience)

Post Training Application Satisfaction Rating – Number of employees trained who found the post training experience sufficient and helpful to perform their jobs and function better in the workplace (measuring effectiveness of the training experience).

Goal #2

Deliver Quality Services Equitably & Respectfully

Department Goals

*Achieve a productive and safe workplace
Promote and encourage healthier employee lifestyles through wellness*

Objectives

- **Objective 1:** Increase overall employee wellness through education and programs to maintain an annual health insurance premium increase of **5%** or less by September 2013.
- **Objective 2:** Expand City-wide safety training efforts to decrease the total number of preventable accidents reported from **xx** to **3** or by **10%** by September 2012.

Performance Indicators

Annual Health Insurance Premium Increase – Percentage increase in employer cost for health insurance compared to the previous year

Average Wellness Score – Wellness score from Health Risk Assessment as determined by mortality risks, health risks, and preventive service compliance

of Preventable Accidents Reported – Number of preventable accidents reported that are considered to be the fault of the employee or as a result of lack of training.

KEY PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
Employee On-Boarding Satisfaction Rate	N/A	N/A	80%
Training Experience Satisfaction Rating	N/A	N/A	85%
Post Training Application Satisfaction Rating	N/A	N/A	85%
FINANCIAL INDICATORS			
Annual Health Insurance Premium Increase	TBD	TBD	5%
OPERATIONAL INDICATORS			
Test Pass Rate	N/A	N/A	80%
Average Wellness Score	83	TBD	85

DRAFT

FACILITIES MANAGEMENT DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Enhance and maintain the appearance and safety of the City by the efficient management of its facilities.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Maintenance of City facilities • Selection and management of products, contracts and vendors • Manage the City’s sustainability program (also known as green initiatives)
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Cost of sustainability innovations • Lack of staff to adequately maintain facilities at desired service levels • Realizing higher than expected costs of maintaining facilities 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Sufficient funding will be available for training, education, sustainability and maintenance

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Deliver Quality Services Equitably and Respectfully

Department Goals

*Provide “best in class” customer service by completing work orders timely and effectively
Ensure high quality janitorial services throughout the City*

Objectives

- **Objective 1:** Proactively review customer service process and experience to improve the facilities management satisfaction rating from **9.2** to **9.5** by September 2012.
- **Objective 2:** Provide janitorial staff feedback on cleaning performance to increase the janitorial satisfaction rating from **8.2** to **8.3** by June 2012.

Performance Indicators

Facilities Management Satisfaction Rating – Average score measuring employee satisfaction concerning the timeliness and quality of Facilities work order service response (1-10 scale where 1=extremely dissatisfied and 10=exceeds expectations)

Janitorial Satisfaction Rating – Average score measuring employee satisfaction with the overall quality of janitorial services throughout the City (1-10 scale where 1=extremely dissatisfied and 10=exceeds expectations)

Average Janitorial Service Staff Survey Response Rate – Percentage of City Staff surveyed who actually responded to the Facilities Management satisfaction survey

Goal #2

Preserve the Natural Environment

Department Goal

Improve sustainability program to make the City more green-friendly

Objective

- **Objective 1:** Through proactive green maintenance, achieve an energy consumption reduction of **10,000 kWh** or **7.2 CO₂e** (Greenhouse Gases Reduced) by June 2012.

Performance Indicators

Energy Consumption Reduction – Total kWh reduced by retrofits (occupancy sensors) and preventive maintenance throughout the City

Greenhouse Gases Reduced (GHG) – Total metric tons of GHG reduced by retrofits and preventive maintenance throughout the city maintained buildings as measured by converting kilowatt hours saved into the carbon footprint measure of CO₂e

Net Cost Reductions from Energy Consumption – Average savings realized by ¢/kWh reduced through retrofits and preventive maintenance

PERFORMANCE INDICATORS & TARGETS

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target
CUSTOMER SERVICE INDICATORS			
Facilities Management Satisfaction Rating (1-10 scale)	8	9.2	9.5
Janitorial Satisfaction Score (1-10 scale)	7	8.2	8.3
FINANCIAL INDICATORS			
Net Cost Reductions from Energy Consumption	N/A	\$3,258.00	\$1,200.00
OPERATIONAL INDICATORS			
Average Janitorial Service Staff Survey Response Rate	N/A	34%	40%
Energy Consumption Reduction (kWh)	20,979	27,152	10,000
Greenhouse Gases Reduced (CO2e)	15.07	24.9	7.2

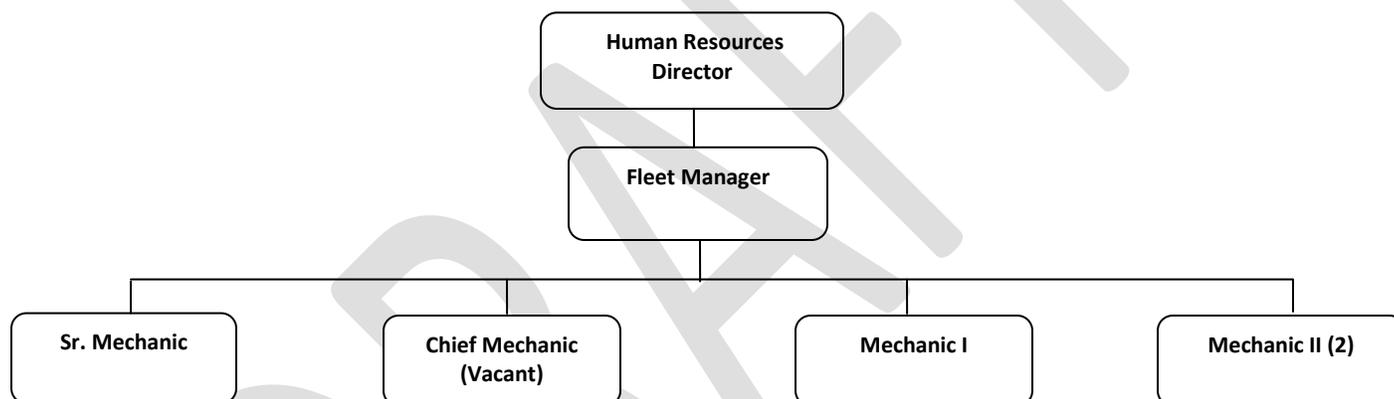

DRAFT

FLEET MANAGEMENT DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

MISSION STATEMENT: To efficiently maintain a safe and reliable fleet of City's vehicles.	CORE FUNCTIONS: <ul style="list-style-type: none"> Preventive maintenance and repairs of vehicles and equipment Fleet management and replacement
CHALLENGES: <ul style="list-style-type: none"> Increasing costs associated with maintaining an aging fleet Skill level keeping pace with evolving technology 	BUSINESS ASSUMPTIONS: <ul style="list-style-type: none"> Vehicle replacement cycles will be increased

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Deliver Quality Services Equitably and Respectfully

Department Goal

Ensure longevity of City Vehicles

Objective

- Objective 1:** Improve preventative maintenance management system to improve the scheduled preventative maintenance adherence rate of **30%** by September 2012.

Performance Indicators

Scheduled Preventative Maintenance Adherence Rate – Number of cars brought in for service within 30 days or 300 miles of required service (service required every 3 months or 3k miles) compared to total number of cars requiring preventative maintenance

KEY PERFORMANCE INDICATORS & TARGETS

PARKS AND RECREATION DEPARTMENT

BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: To provide first-class recreation programs, parks, and facilities desired by all customers to ensure exceptional leisure experiences.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Provide active and passive recreational facilities for individuals, families and local athletic groups • Provide programs and events that cater to diverse leisure needs
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Budget restraints could cause Parks and Recreation programs to be reduced or eliminated • Possible lack of taxpayer support for increased athletic field space • Insufficient demand to justify certain programs 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Residents and visitors will continue to have a desire to participate in recreational activities • Availability of appropriate funding to carry out programming

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Provide an Attractive Community

Department Goal

Keep pedestrian areas and landscapes beautiful

Objective

- **Objective 1:** Continuously evaluate and improve hardscape and landscape maintenance to increase the 'pedestrian and landscape maintenance satisfaction index' from **xx%** to **xx%** by September 2013.

Performance Indicators

Pedestrian and Landscape Maintenance Index - Percentage of citizens who feel positive about the way the City maintains its hardscape and landscape areas

Downtown Pedestrian and Landscape Areas Satisfaction Rating - Percentage of Local Downtown Businesses (surveyed) that felt positive about the appearance/maintenance quality of Downtown's pedestrian and landscape areas

Goal #2

Provide Recreation, Arts and Culture

Department Goal

*Provide a variety of quality parks, facilities, recreational and cultural experiences
Provide diverse and high quality micro public events*

Objectives

- **Objective 1:** Improve quality of recreation programs through enhanced survey methods and utilizing target marketing strategies to increase the 'participated in a recreation program or activity satisfaction index' from **35%** to **45%** and 'recreational opportunities satisfaction index' from **60%** to **65%** by September 2013.
- **Objective 2:** Develop and implement targeted specialized events to increase the economic impact for the Downtown District to achieve a Downtown Business Event Satisfaction Rating of **90%** by September 2012.

Performance Indicators

Participated in a Recreation Program or Activity Satisfaction Index - Percentage of citizens who have participated in a Winter Garden recreation program or activity

Recreational Opportunities Satisfaction Index - Percentage of residents who view recreational opportunities as good or excellent
Downtown Business Event Satisfaction Rating - Percentage of businesses that rated each event as good or excellent for their business

KEY PERFORMANCE INDICATORS & TARGETS

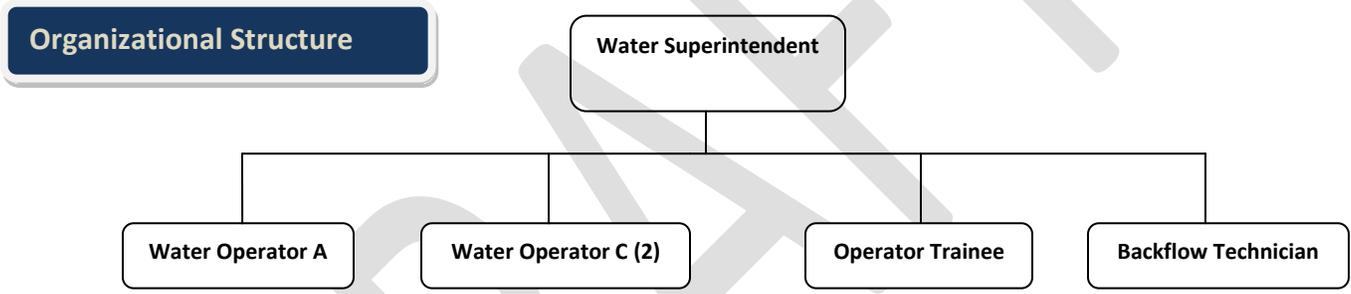

Key Performance Indicators	FY 09/10 Actual	FY 10/11 Actual	FY 11/12 Target

PUBLIC SERVICES DEPARTMENT
WATER & RECLAIMED WATER DISTRIBUTION/STREETS DIVISION
BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT:</p> <p>Water Distribution: Consistently deliver quality potable and reclaimed water to all residents and business owners 24 hours a day and 7 days a week.</p> <p>Streets: Preserve and improve the City’s roadways and sidewalks to provide safe, durable and efficient commute.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Provide reliable water services • Provide and maintain roadways and sidewalks • Maintain traffic signs, traffic lights and street lights
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Adverse and abnormal weather conditions • Possible unfavorable effects of transitioning traffic signal maintenance from Orange County Traffic Department to a private contractor 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Sufficient water meter audits will be conducted to minimize lost revenues • Reduce costs of traffic signal maintenance by using a private contractor rather than continuing service from Orange County • Water and Wastewater rate adjustment will be approved in 2010

Organizational Structure

FY 2010-2011 GOALS AND OBJECTIVES

Goal #1

Improve and Maintain Mobility

Department Goal

Improve automobile transportation and pedestrian infrastructure

Objectives

- **Objective 1:** Execute and perpetually evaluate City street maintenance program to increase the 'street repair/maintenance satisfaction index' from **54%** to **65%** by September 2013.
- **Objective 2:** Execute and perpetually evaluate City sidewalk maintenance plan to increase the 'sidewalk maintenance satisfaction index' from **62%** to **65%** by September 2013.
- **Objective 3:** Deploy a traffic communication plan during maintenance activities to increase the 'ease of car travel in Winter Garden satisfaction index' from **77%** to **80%** by September 2013.

Performance Indicators

Street Repair/Maintenance Satisfaction Index – Percentage of citizens who feel satisfied with street repair and maintenance throughout the City

Sidewalk Maintenance Satisfaction Index – Percentage of citizens who feel satisfied with sidewalk maintenance throughout the City

Ease of Car Travel in Winter Garden Satisfaction Index – Percentage of citizens who feel satisfied with fluidity of car travel throughout the City (helpfulness and usefulness of signage)

Goal #2

Maintain Quality Services and Infrastructure

Department Goal

Increase water pressure and minimize water service interruptions for residents

Objective

- **Objective 1:** Execute water main capital improvements and provide enhanced fire training information to reduce water main breaks by **33%** from **30** to **20** by September 2012.

Performance Indicators

Number of Water Main Breaks– Number of ruptured water pipe events throughout the City

KEY PERFORMANCE INDICATORS & TARGETS

**PUBLIC SERVICES DEPARTMENT
WASTEWATER/STORMWATER COLLECTION/STREETS DIVISION
BUSINESS PLAN & KEY PERFORMANCE INDICATORS**

<p>MISSION STATEMENT: <u>Wastewater/Stormwater Collection:</u> Provide citizens with efficient and responsive collection services for wastewater/stormwater. <u>Streets:</u> To keep the City and its gateway corridors attractive, clean and safe for all modes of travel.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Maintain wastewater and stormwater collection systems • Monitoring lift stations • Mowing and maintenance of street right-of-ways, sidewalks and stormwater ponds
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Adverse weather conditions and tropical storms • State and Federal Environmental Mandates • Lack of cooperation from Federal, State and Regional agencies • Lack of funding for Stormwater Action Team (SWAT) 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Purchase of computerized Infrastructure Maintenance Management Work Order System • Approval of new stormwater rates • Approval of new wastewater utility rates

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1

Preserve the Natural Environment

Department Goal

Reduce pollution in Lake Apopka through cleaner streets and stormwater systems

Objective

- **Objective 1:** Improve level of service with street cleaning and stormwater system maintenance to increase the volume of pollutants removed from stormwater drains by **10%** from **312 tons** to **350 tons** of debris removed annually by September 2012.

Performance Indicators

Volume of Pollutants Removed from Stormwater Drains – Percentage increase or amount of debris, measured in tonnage, that have been extracted from the drainage system to reduce pollution

Goal #2

Provide an Attractive Community

Department Goal

Keep the City corridors attractive and clean

Objective

- **Objective 1:** Evaluate and improve procedures for street cleaning and right of way maintenance to increase the 'street cleaning satisfaction index' from **67%** to **82%** by September 2013.

Performance Indicators

Street Cleaning Satisfaction Index – Percentage of citizens who felt positive about the street cleanliness throughout the City

Goal #3

Maintain Quality Services and Infrastructure

Department Goal

Prolong the service life of the City's infrastructure

Objectives

- **Objective 1:** Improve sewer preventative maintenance to increase the 'sewer satisfaction index' from **76%** to **80%** by September 2013.
- **Objective 2:** Improve the review and resolution of citizen stormwater complaints and requests by developing the Stormwater Action Team (SWAT) to increase the 'stormwater drainage satisfaction index' from **71%** to **80%** by September 2013.

Performance Indicators

Sewer Satisfaction Index – Percentage of citizens who feel positive about the City’s sewer services
Stormwater Drainage Satisfaction Index – Percentage of citizens who feel positive about stormwater drainage

**PUBLIC SERVICES DEPARTMENT
ENVIRONMENTAL SERVICES DIVISION
BUSINESS PLAN & KEY PERFORMANCE INDICATORS**

<p>MISSION STATEMENT: Provide environmentally sound solutions for industrial wastewater pretreatment and water conservation practices.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Administer Water Conservation Program • Administer Industrial Wastewater Pretreatment Program
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Meeting St. Johns River Water Management District's requirements for the reduction in water consumption through water conservation • Unfunded FDEP's requirements for reductions in oils, fats and grease that enter the City's wastewater system 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Enforcement of the new water conservation irrigation rules will reduce water consumption • Water conservation public education will reduce water consumption • Public education related to properly disposing of cooking oil and grease will reduce wastewater operations expenses

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

**Goal #1
Maintain Quality Services and Infrastructure**

Department Goal

Reduce Fats, Oils and Grease (F.O.G.) from the wastewater stream through industrial pretreatment public education

Objective

- **Objective 1:** Reduce grease in wastewater by educating restaurant owners on grease trap maintenance to achieve a restaurant site inspection compliance rate of **75%** by September 2012.

Performance Indicators

Restaurant Site Inspection Compliance Rate – Percentage of restaurants that successfully pass grease trap inspections compared to total restaurants inspected

Goal #2

Preserve the Natural Environment

Department Goal

Protect groundwater resources through water conservation

Objective

- **Objective 1:** Ensure compliance with St John's Water allocation through proactive conservation awareness efforts and by **not exceeding** the allowable groundwater withdrawal restrictions of **5.54** million gallons/day for calendar year 2011, **5.71** million gallons/day for calendar year 2012 and **5.83** million gallons/day for calendar year 2013.

Performance Indicators

Million Gallons / Day in Groundwater Withdrawals – Amount of groundwater measured in million gallons per day that the City withdrew per calendar year as outlined and defined in the City's St. John's consumptive use permit

Water Conservation Participation Index – Results from Citizen Survey indicating how many people practice some form of water conservation

ADMINISTRATION/CEMETERY DIVISIONS

BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT:</p> <p>Administration: To facilitate the provision and maintenance of high quality infrastructure to efficiently deliver safe, reliable and responsive services.</p> <p>Cemetery: To compassionately assist family members with the planning of cemetery needs of our customers.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Management of Public Services Divisions • Liaison to State & Federal Regulatory Agencies • Assist with cemetery needs and maintain attractive cemetery grounds
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Less than desirable relationship with Orange County • Reliance on State and Federal Regulatory Agencies for approvals (permits and other requirements) • Declining Impact Fee funding for roadway and utility projects 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Approval of new water, stormwater, and wastewater rates in fiscal year 2010. • Implementation of Phase II Reclaimed Water Project

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Preserve the Natural Environment

Department Goal

More environmentally friendly city focused on reducing septic discharge and ground water withdrawals

Objective

- **Objective 1:** Enhance wastewater and reclaimed water infrastructure to ensure NPDES/DEP compliance and expand system for future growth to reduce the volume of ground water withdrawals by **10%** from **1,819** to **1,637** annually by September 2014.

Performance Indicators

Volume of Ground Water Withdrawals – Number of million gallons of water being pumped out of the aquifer by the City

Goal #2

Provide Sound Fiscal Management

Department Goal

City capital improvements provided at a low cost

Objective

- **Objective 1:** Develop and execute a plan to acquire external funding to facilitate infrastructure improvements by achieving a capital improvements external funding rate of **10%** by September 2013.

Performance Indicators

Capital Improvements External Funding Rate – Percentage of external funding received for capital improvements compared to total capital cost required

Capital Improvements External Funding Received – Monetary value received from external sources to fund capital projects

Goal #3

Maintain Quality Services and Infrastructure

Department Goal

Reduce flooding incidents from adverse weather conditions

Objective

- **Objective 1:** Develop and implement a Stormwater Master Plan to reduce severe flooding incidents by **75%** from **14** incidents to **6** incidents by June 2012.

Performance Indicators

Total Number of Severe Flooding Incidents – Number of times water collection occurs and results in damage to personal and real property

ENGINEERING DEPARTMENT BUSINESS PLAN & KEY PERFORMANCE INDICATORS

<p>MISSION STATEMENT: Provide professional engineering services, technical support, and problem resolution for the City as well as private entities through long-term infrastructure planning while ensuring sound project design and quality construction management.</p>	<p>CORE FUNCTIONS:</p> <ul style="list-style-type: none"> • Stormwater Management/Planning • Monitor, Report and ensure FDEP National Pollutant Discharge Elimination System (NPDES) Compliance • Capital improvement project management • Construction inspections (public and private development) • Public & private plan reviews and consultation • GIS support for City Assets and Infrastructure
<p>CHALLENGES:</p> <ul style="list-style-type: none"> • Additional unexpected mandates from NPDES and FEMA State and Federal regulatory agencies • Lack of funding for Stormwater Action Team (SWAT) 	<p>BUSINESS ASSUMPTIONS:</p> <ul style="list-style-type: none"> • Minimal change orders and schedule delays on construction projects • Sufficient funding for CIP Projects

Organizational Structure

FY 2011-2012 GOALS AND OBJECTIVES

Goal #1
Maintain Quality Services and Infrastructure

Department Goal

*Ensure timely completion of all planned CIP projects annually
Ensure regulatory compliance with FDEP/NPDES permit*

Objectives

- **Objective 1:** Re-evaluate current Engineering CIP process and implement solutions to ensure an 'Engineering project completion rate' of 90% by September 2012.

- **Objective 2:** Review and streamline NPDES data collection compliance process to minimize the '# of annual NPDES report review comments' from **7** to **3** by June 2012.

Performance Indicators

Engineering Project Completion Rate – Number of design, review, and inspection projects completed in the planned timeframe compared to total projects completed

of Annual NPDES Report Review Comments – Number of exception review comments provided by NPDES to the City for mandatory corrective action on an annual basis.

% of NPDES Compliance Standards Met – Number of NPDES operational metrics that were compliant with regulatory mandates compared to total operational metrics or mandates set forth.

% of NPDES Compliance Line Items Reported On – Number of NPDES mandated data line items reported compared to total data line items required for reporting.

WINTER GARDEN

This page intentionally blank.

General Information

The City of Winter Garden, Florida was formed by Charter on November 10, 1903 and is located in Orange County, Florida. As with most communities founded in the early 1900's of rural Florida, Winter Garden's economy relied heavily on agriculture. A year-round growing season and fertile soil enabled the production of fruits and vegetables; rail provided direct transportation routes to northern markets; and local orange groves were Florida's gold.

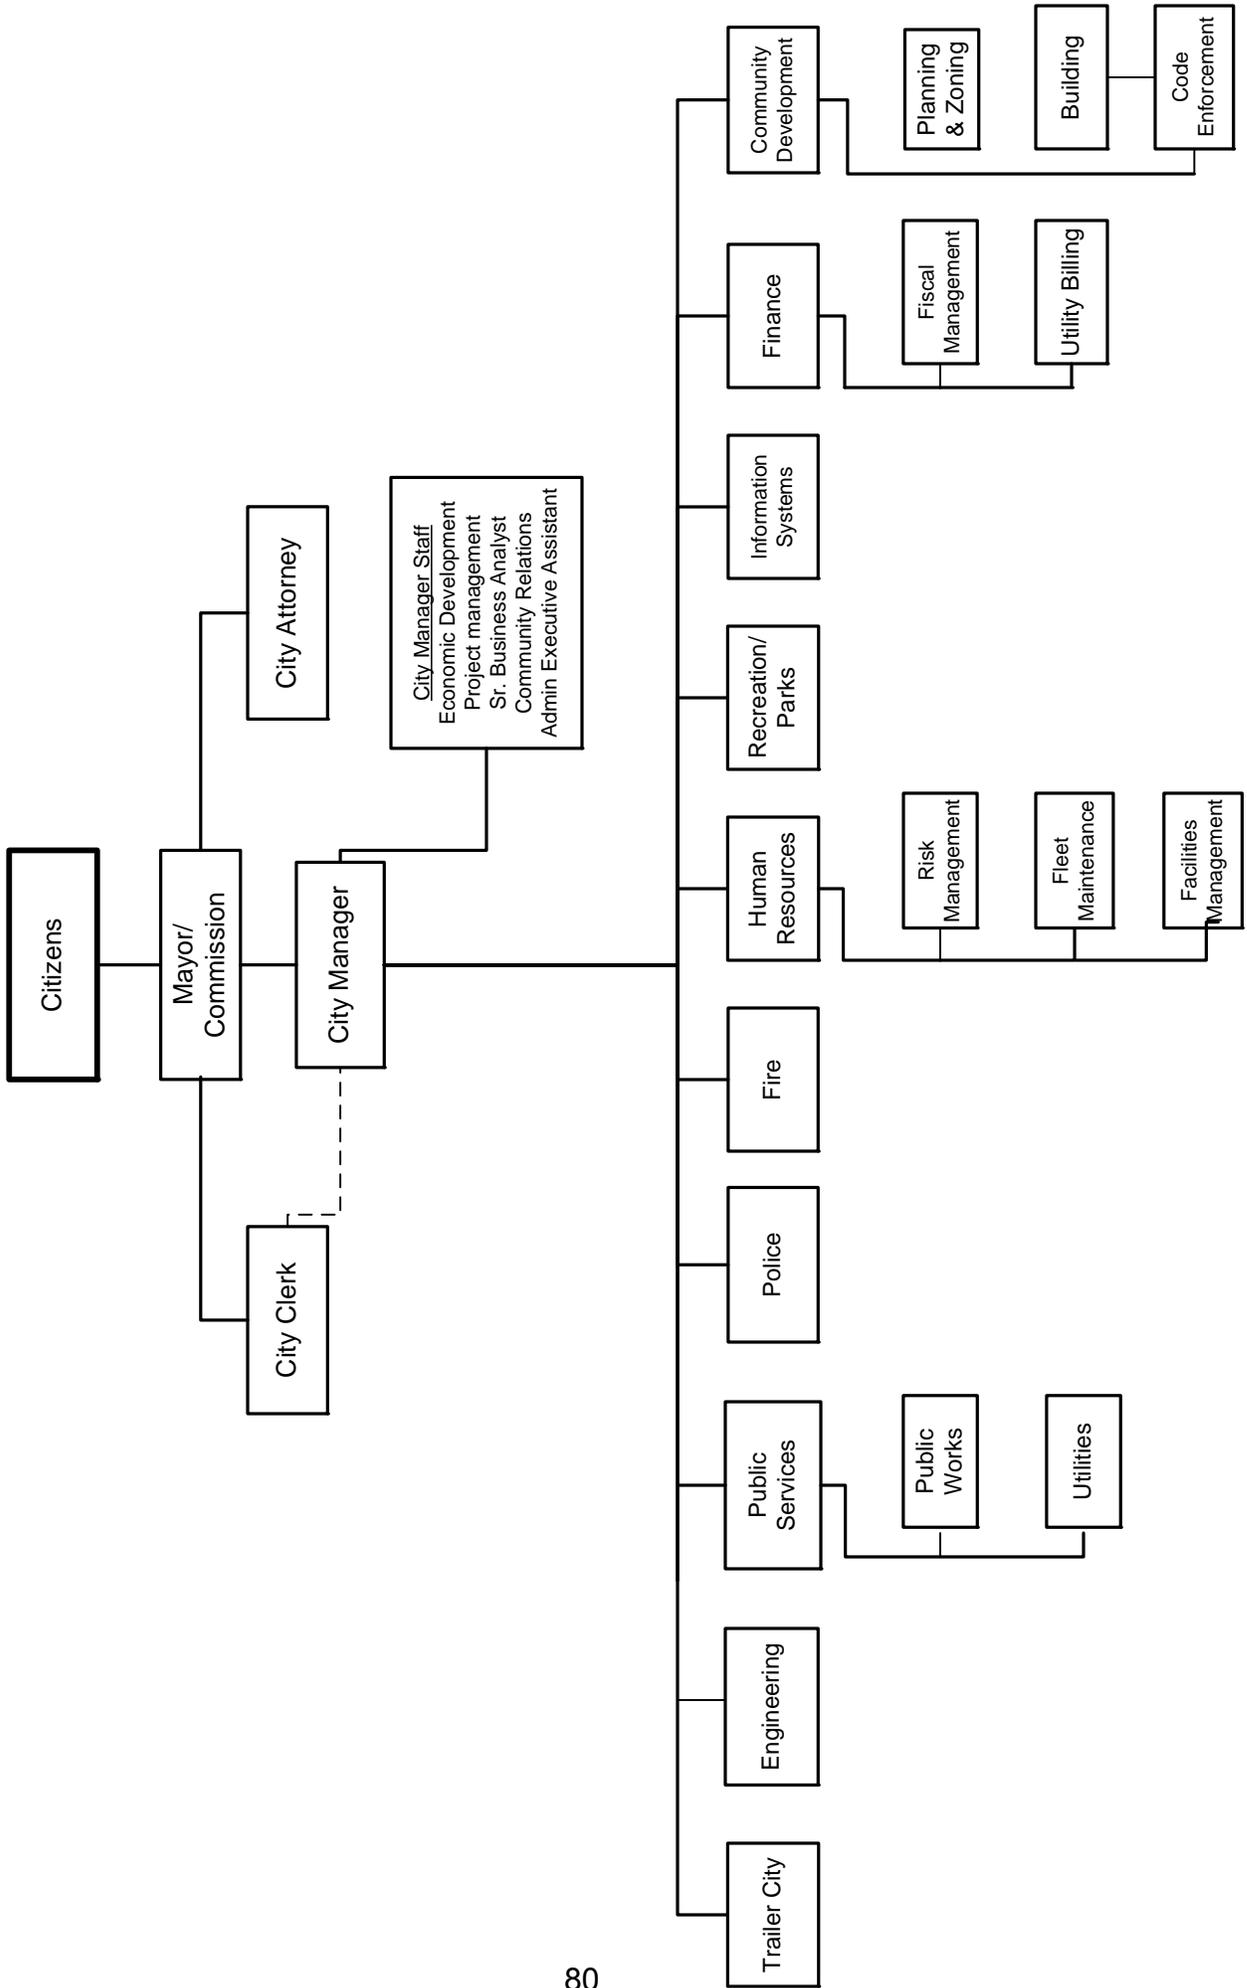

In the late 1960's, Central Florida's economy changed. A new mouse was on the block and tourism quickly became the new gold. Winter Garden's proximity to Orlando and the Walt Disney properties made it an ideal spot for growth.

Today, Winter Garden is referred to as a modern-day Mayberry USA by residents, and as a Florida destination, only without pretense. The City has a commission/manager form of government with a Mayor and four Commissioners elected as the governing body. The City provides the following services to its citizens: public safety, public works, cultural, recreation, community development, water, wastewater, stormwater and solid waste services. The Commission embarked upon an aggressive strategy, in recent years, making Winter Garden an ideal place to grow families as well as businesses.

The City's short term goal is to be the best little city in the state of Florida. Its long term goal is to be the best little City in the United States.

CITY OF WINTER GARDEN ORGANIZATION CHART

REV. 08/1011

Office of the City Clerk

Overview

This office serves as the proceedings management office of the legislative body. As the official Secretary of the elected officials, the City Clerk, is responsible for processing items presented to the City Commission for official action and follow-up. Written summaries (minutes) are prepared by this office of all official proceedings to document all actions taken by the City Commission. In combination with the legislative proceedings, required advertising is prepared and distributed for notifying the public of the proceedings to be considered. The City Clerk is responsible for maintaining the City's Code of Ordinances with distribution of Code supplements. As needed, the City Clerk serves as the liaison between the City Commission and those who need to communicate with the elected officials of the City of Winter Garden.

On a daily basis the City Clerk's office is responsible for records management for the city. The office coordinates and oversees the retention and destruction of all official records. A major part of this program includes providing documentation to other departments, citizens, other governmental agencies, etc. An integrated document management system has been implemented to capture official City documents in electronic format for city-wide access and it facilitates the research of information. This office maintains all records relating to the City owned Cemetery.

The City Clerk's department prepares and records all special assessment liens against property owners for City initiated improvements such as lot clearings and demolitions. Liens are also recorded by this office for fines imposed by the Code Enforcement Board and for significantly overdue utility accounts that include water, sewer and trash services as provided by the City. Additionally, this office processes all inquiries made on properties being sold for outstanding fees that are due to the City.

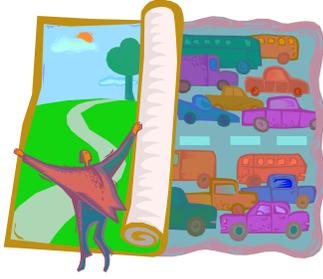

The Clerk's office is responsible for processing all Senior Utility Assistance Program applications. This requires verification of resident's income status and notification to the Utility Billing Department for those accounts eligible for the monthly subsidy to their account.

The City Clerk is responsible for monitoring all boards and committee memberships relating to resignations, appointments, expiring terms, and financial disclosure filings.

The City Clerk serves as Winter Garden's Supervisor of Municipal Elections that involves establishing the schedule for all municipal elections and coordination of election activities with the Orange County Supervisor of Elections.

Accomplishments

- Processed 712 requests for fees due the city on properties being bought and/or sold. Since the City Commission implemented the service fee last March, we have processed 448 requests for a total of \$13,440.00 to the general fund.
- Initiated photographic documentation of headstones/markers in the cemetery
- Digitally scanned permanent records relating to City Commission agenda packets
- Finalized and submitted the City's Records Committee recommendation on a Records Policy to the City Manager
- Distributed 11 updates to the City's Code of Ordinances
- Generated 24 City Commission agenda packets and minutes
- Processed 159 low income senior utility assistance applications
- Responded to 34 requests for records

Economic Development

Overview

Economic Development, by definition, refers to increases in the standard of living of the population associated with sustained growth from a simple, low-income economy to a modern, high-income economy. Its scope includes the process and policies by which a city improves the economic, political, and social well-being of its people. Understanding the interrelationship between social (live and play) and economic (work and learn) components of a thriving community is vital. Building a balanced economic and social structure is paramount to providing a sustainable, if not high, quality-of-life for residents and the business community, alike.

Economic development is essentially economics on a social level which has evolved into two key roles: policy-making and the administration of policy, programs, and projects. These, in turn, may be categorized into several critical functions: marketing/promotion; investment/incentive programs; policies/procedures; and partnerships/outreach. Each activity performed by the Economic Development Division should enhance the overarching City-wide theme of building a community that is desirable for the corporate and individual citizen, alike. This in turn, creates the correct conditions for economic growth through the retention and recruitment of companies within Winter Garden.

Finance Division

Overview

The Finance Division consists of the Fiscal Management and the Utility Billing departments which, combined, includes 11 full time positions.

The Fiscal Management department provides oversight of the City's fiscal affairs and is responsible for budgeting, accounts receivable, accounts payable, central accounting, payroll, financial reporting, fixed asset management, internal controls, pension administration and the annual external audit. The department is also responsible for cash, debt and investment management and the collection of municipal revenues. The department's mission is to protect the City's assets. We accomplish this by ensuring compliance with all accounting and municipal laws and regulations, and providing efficient administrative services to the City when facilitating City fiscal operations.

The Utility Billing department maintains all financial data for the Water, Wastewater, Garbage, Stormwater, and Irrigation customer accounts in the city. Utility Billing processes over 17,000 utility bills each month, in addition to collecting and recording the related revenue. The key function of this department is Customer Service and Customer Interface, whether we are processing a utility bill or reading the meters at each residence or commercial site.

Information Technology

Overview

The Information Technology department is responsible for providing cost effective and innovative information technology leadership and support to City departments and staff by providing installation, maintenance, administration, and management of personal computers, servers, radios, mobile technology, and phone systems. The department runs a help desk for the entire City and is also on call for any needs that may arise regarding the public safety departments. The department recommends and plans for technology changes and also provides or recommends training where needed.

The departmental goal is to implement solutions that allow an employee to do their job easier and to provide excellent customer service to the citizens of Winter Garden. The mission of the Information Technology department is to deliver secure, responsive, high-quality, customer-oriented services and support that foster a productive environment for both City staff and residents of the City of Winter Garden.

Community Development

Overview

The Community Development Department consists of the Planning and Zoning Division, Building Division, Code Enforcement Division, and Business Tax Services. The department provides for one-stop permitting and a variety of community development services related to use of private property in the City.

The department essential functions are:

Planning and Zoning: Includes zoning, comprehensive planning, development review, impact fee calculations, downtown architectural reviews, transportation planning, addressing, Census, and general planning services

Building (Permitting and Inspection Services) including all building permits reviews along with other trade permits, building inspections and architectural plan review.

Business Tax: Includes processing new business locating in the City as well as annual renewals and business location transfers, processing temporary sale and vendor permits and residential garage sales.

Code Enforcement: Includes zoning compliance for residential and non-residential areas of the City, process violations for compliance and take cases to the Code Enforcement Board.

Boards: Provides staff or support to the following City Boards and Committees: Development Review Committee, Planning and Zoning Board, Code Enforcement Board, Architectural Review and Historic Preservation Board, Community Redevelopment Area and Brownfield Advisory Board (in conjunction with the City Manager and Community Relations office).

Police Department

Overview

The Police Department is here to protect our citizens and visitors by working with them to prevent, and solve, crime. Visible patrol with marked police vehicles deters crime and allows citizens to readily locate an officer when they are in need. Dispatching services provide a quick and efficient means to summon police assistance through non-emergency and 911 calling.

Officers attend community and business meetings to exchange information concerning crime trends as well as to identify citizens' needs and answer questions. Numerous crime prevention specific events were held this year and the Police Department sponsored Winter Garden's fourth annual National Night Out crime prevention event in cooperation with Target stores and the Winter Garden Village mall. The Police Department's programs are designed for close interaction with our citizens to strengthen partnerships between citizens and their police. Through these close interactions and community focus, the police strive to create a safe community to work, live and play in by policing and problem solving with our citizens and businesses.

Youth programs remain a priority for the Police Department. They continued their partnership with the Center for Drug Free Living to provide a midnight basketball program at the Magic Gym, they continued their partnership with the First Baptist Church of Winter Garden to provide a summer youth camp for at-risk children, and officers actively participate in the Restorative Justice Program (a criminal diversion program for juvenile offenders).

Traffic enforcement activities, through the deployment of specially trained officers, were targeted at maintaining safe roadways for citizens and visitors. The Traffic Enforcement Unit allows for improved identification of traffic issues and consistent efforts to address those issues as a team. Their activities also include educational programs related to DUI, pedestrian safety education, and other traffic safety issues. Community meetings were attended by traffic enforcement officers specifically focusing on traffic issues in the communities.

Specially trained officers are assigned to the Criminal Investigations Unit to conduct follow-up work on unsolved reported crimes to identify and apprehend offenders.

Hundreds of criminal cases are assigned, each year, to Detectives for follow up investigation in which the majority are cleared either by arrest, charges being filed or prosecution not being desired by the victim.

Fire Rescue Department

Overview

The Winter Garden Fire Rescue Department operates out of three fire stations, outfitted with state of the art vehicles and equipment strategically located throughout the City to provide an exceptional level of service. The department consists of 46 personnel. All of Winter Garden's Firefighters are certified to meet the professional Firefighter qualifications for the State of Florida and are medically trained as either Emergency Medical Technicians or Paramedics.

Fire/Rescue personnel respond to emergencies with two ALS (Basic Life Support) engines, one ALS tower (aerial) truck, and an ALS (Advanced Life Support) Medic unit. The department has two reserve engines, a reserve medic unit, and a woods truck. In 2010, these units responded to over 3,900 alarms which generally included fires, medical calls, hazardous material calls, vehicle accidents, and other calls for assistance.

The Fire/Rescue Department provides joint response services with the Orange County Fire Rescue Division and the City of Ocoee Fire Department. The department utilizes a 2-tier rescue system, in which medical patients are treated by the fire department until the arrival of an ambulance from Health Central Paramedic Service, at which time the Winter Garden Fire/Rescue Department transfers patient care to Health Central. Health Central then transports the patients to the hospital.

Human Resources

Overview

The Human Resources and Risk Management Department is charged with recruiting and retaining highly qualified and diverse organizational teams by providing exceptional benefits and a challenging work environment. In order to support the success of those teams, the Department continually encourages individual training and educational opportunities that will increase career satisfaction and performance. Additionally, the Department provides internal services in order to create a streamlined process between work units.

Facilities Maintenance

Overview

The Facilities Management Department designs, constructs, repairs and maintains city facilities. This department is accountable for the maintenance and operational condition of 153 buildings totaling 322,793 square feet.

The department responsibilities includes certain design and implementation of capital improvements and assistance with certain capital projects, energy management and utilization analysis, the City's Green Initiative program, electrical, plumbing, HVAC systems, fire systems, elevators and overall janitorial cleaning services to these facilities. Our team consists of professional Carpenters, Plumbers, Electricians, Painters and HVAC Technicians.

Fleet Services Division

Overview

The Fleet Services Division of the Human Resources Department provides preventive maintenance, major overhauls and general repairs for over 300 pieces of light, medium and heavy equipment. Ranging from the care of public safety vehicles such as police and fire vehicles all the way to small landscaping equipment the division has staff on-call around the clock to ensure that the City's departments and its employees remain mobile 365 days a year.

The City of Winter Garden currently has on staff ASE (National Institute for Automotive Service Excellence) technicians and EVT (Emergency Vehicle Technician Certification Commission) technicians with Master Auto / Truck & Fire Truck certifications. This level of certification ensures that the citizen's can maintain the confidence that City staff will be available to respond to all their needs including public safety, street cleaning, garbage pick-up and all other city services.

Parks and Recreation

Overview

The Parks and Recreation Department consists of four unique divisions that serve the community in a variety of roles and functions.

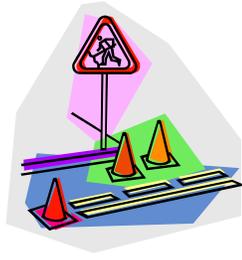

The Parks Division consists of 10 staff members that take care of over 126 acres of landscaping, athletic courts, playgrounds, athletic fields and other recreation facilities and equipment.

The Recreation Division consists of 5 ½ full time employees and over 60 part-time and contractual staff that program and lead a wide variety of recreational programs including youth camps, aquatics programs, instructional classes, athletic leagues, and senior citizen programs.

The Special Event Division budget does not have personnel dedicated to this function, but it provides the funding necessary to host six major community events as well as the Friday night concert series and other smaller functions.

The Facilities Division includes 1 ½ positions that rent and maintain the various rental properties owned and operated by the city.

.

Public Services

Overview

The Public Services Department is made up of several Operations and Maintenance Divisions providing a variety of services to the citizens of Winter Garden as well as the business community. These divisions are: Water Treatment, Wastewater Treatment, Water/Reclaimed Water Distribution, Wastewater/Stormwater Collection, Streets Maintenance, Solid Waste, Environmental Services, Engineering, Cemetery and Administration of these divisions.

The Department's activities include day-to-day maintenance and operations related to city services, as well as short and long range planning of capital improvements to the City's infrastructure, consisting of roadways, drainage systems, water and sewer systems and water supplies.

The Public Services staff works closely with citizens, business owners, developers and contractors to address their concerns in a timely and efficient manner.

The Public Services Management acts as the City's liaison to State and Federal Environmental Regulatory Agencies.

CITY OF WINTER GARDEN, FLORIDA
DEBT INFORMATION

Summary of Debt Outstanding

PERMANENT FUNDS

Permanent Funds are funds that are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs (i.e., for the benefit of the government or its citizenry). Following is a list of the City of Winter Garden Permanent Funds:

ENTERPRISE FUNDS

Enterprise Funds are types of funds used for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the cost of providing goods or services to the public on a continuing basis be financed or recovered primarily through user charges; or operations where the governing body has decided that income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. Following is a list of the City of Winter Garden’s Enterprise Funds:

**Utilities Fund
Stormwater Fund
Solid Waste Fund
Trailer City Fund**

GLOSSARY

AD VALOREM TAX: A tax levied on the assessed value of real and personal property (also known as “property tax”).

ADOPTED BUDGET: The proposed budget as formally approved by the City Commission.

AGENCY FUND: A type of fund used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds.

APPROPRIATION: A specific amount of money set apart by the City Commission for the purchase of goods and services.

ASSESSED PROPERTY VALUE: A valuation set upon real estate or personal property by the County Property Appraiser as a basis for levying taxes.

BALANCED BUDGET: A budget in which budgeted revenues equal budgeted expenditures/expenses.

BOND: A written promise to pay a specified sum of money (face value or principal), at a specified date in the future (maturity date), together with interest at a specified rate.

BUDGET: A fiscal plan of programs, services, and construction projects expected to be carried out, funded within available revenues, and designated within a specific period of time, usually 12 months.

CAPITAL EQUIPMENT: Equipment with a value in excess of \$750 and an expected life of more than two years such as automobiles, computers, and furniture.

CAPITAL IMPROVEMENT: A physical asset, constructed or purchased, that has a minimum useful life of three years.

CAPITAL IMPROVEMENT BUDGET: A budget including those approved capital improvement projects contained in the first year of the five-year Capital Improvement Program.

CAPITAL IMPROVEMENTS ELEMENT: That portion of the Capital Improvement Program which is necessary to meet the requirements of the Growth Management Act.

CAPITAL IMPROVEMENT PROGRAM (CIP): A comprehensive long-range schedule of approved capital improvements indicating priority in terms of need and ability to finance. The program covers a five-year period, the first year of which is adopted as the Capital Improvement Budget.

CONTINGENCY: Money that has been set aside to cover unplanned expenditures.

DEBT SERVICE: The payment of principal and interest on borrowed funds.

DEBT SERVICE FUND: Used to account for the accumulation of resources for, and the payment of, debt service.

DEPARTMENT: An organizational unit responsible for carrying out a major governmental function, such as Police or Public Works.

ENTERPRISE FUND: A type of fund used to account for operations that are financed and operated in a manner similar to private business enterprises; i.e., where charges for services are intended to cover the cost of providing the service.

EXPENDITURE: Transactions and events that decrease the amount of net spendable resources in a governmental fund.

FIDUCIARY FUND: A type of fund in which the government acts as a trustee or agent on behalf of another party. An example is pension funds.

FISCAL YEAR (FY): Any consecutive 12-month period designated as a budget year. The City's budget year begins October 1, and ends September 30 of the following calendar year.

FRANCHISE FEE: A fee paid by public service businesses for use of City streets, rights-of-way, and property in providing their services. Services requiring franchises include electric, telephone, natural gas, water, cable television, and roll-off service.

FUND: An accounting structure which isolates specific revenues and appropriations for a designated purpose, such as the General Fund or the Capital Project Fund.

FUND BALANCE: The excess of assets over liabilities. A positive ending fund balance from one fiscal year can be utilized as a resource for the following year's activities. A negative fund balance is sometimes referred to as a deficit.

GENERAL FUND: The general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

GRANT: Contributions of cash or other assets to be used for a specified purpose, activity, or facility. Grants may be classified as either categorical or block, depending on the amount of discretion allowed the grantee.

IMPACT FEE: A charge for infrastructure improvements that must be provided to the local government.

INTERFUND TRANSFER: Payment from one fund to another fund primarily for services provided.

INTERGOVERNMENTAL REVENUE: Revenue from other governments in the form of grants, entitlements, shared revenues, or payments in lieu of taxes.

LOCAL OPTION: Voted by local referendum, e.g., Local Option Sales Tax.

MILL: A value equal to \$.001 or \$1.00 per \$1,000. The mill is used to determine property taxes by multiplying the mill rate times the assessed property value.

MILLAGE RATE: The rate established each year by City Commission action which is used in the calculation of property taxes.

MISSION STATEMENT: This statement establishes the basis for the goals of the department by describing in broad terms what the department intends to accomplish during the budget year.

MODIFIED ACCRUAL ACCOUNTING: A basis of accounting in which revenues are recorded when collectable within the current period, and expenditures are recognized when the related liability is incurred.

NON-OPERATING EXPENDITURE: The cost of government services not directly attributable to a specific City program or operation, i.e., debt service obligations and contributions to human service organizations.

NON-OPERATING REVENUE: The income received by the government not directly attributable to providing a service, e.g., interest on cash in banks or investments.

OPERATING BUDGET: A financial plan which presents proposed expenditures for the fiscal year and estimates of revenue to finance them.

OPERATING EXPENSES: Expenses which are directly related to service activities.

OPERATING REVENUES: Revenues which are directly related to service activities, e.g., user charges, fees, or taxes.

PERMANENT FUND: A governmental fund type used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs (i.e., for the benefit of the government or its citizenry).

PROPERTY TAX: A tax levied on the assessed value of real property, i.e., ad valorem tax.

PROPRIETARY ACCOUNT: An account that shows actual financial position and results of operations, such as actual assets, liabilities, fund equity balances, revenues and expenses.

PROPRIETARY FUND: A type of fund which is similar to private sector companies, whereby the focus is on the measurement of net income.

REVENUE: Money received by the City from external sources.

REVENUE BOND: A bond whose principal and interest are payable exclusively from a specific revenue source.

ROLLED-BACK MILLAGE RATE: The millage rate that would generate the same dollar amount of ad valorem tax revenue as was generated in the previous year, exclusive of new construction.

SPECIAL REVENUE FUND: A type of fund used to account for the proceeds of a specified revenue source (other than special assessments or major capital projects) that are legally restricted to expenditures for specified purposes. An example is revenue from the Community Development Block Grant.

TAX INCREMENT FINANCING: A method for providing money to pay for infrastructure related to development in a designated district. The money comes from the increase in property tax above the redevelopment level, and can be used for a predetermined time period.

TAX LEVY: The total revenue amount to be raised by general property taxes for purposes specified in the adopted budget.

TAXABLE VALUE: The assessed value less homestead and other exemptions, if applicable.

TRANSPORTATION IMPACT FEE: A charge based on projected trips that will be generated by development or redevelopment of a property.

UTILITY TAX: A tax levied by the City on the customers of various utilities such as electric, telephone, gas and water. The average rate is 10.0 percent of the sales price of such utility service or commodity.

ORDINANCE 11- 21

AN ORDINANCE OF THE CITY OF WINTER GARDEN, FLORIDA AMENDING SECTIONS 38-28, 38-59, 38-60, 38-61, AND 38-93 IN ARTICLE II OF CHAPTER 38, SECTION 62-62 IN ARTICLE III OF CHAPTER 62; CREATING SECTION 62-167 THROUGH 62-174 IN ARTICLE VI OF CHAPTER 62 OF THE CODE OF ORDINANCES OF THE CITY OF WINTER GARDEN DEFINING AND REGULATING LOT CLEANING AND RIGHT-OF-WAY MAINTENANCE; PROVIDING FOR CODIFICATION; PROVIDING FOR CONTROL; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Commission of the City of Winter Garden has the authority to adopt this Ordinance pursuant to Article VIII of the Constitution of the State of Florida and Chapter 166, Florida Statutes;

WHEREAS, the City Commission finds that with the continued increase in population and overall growth of Winter Garden, property which is not adequately maintained can diminish community pride, and make the city a less desirable place in which to live and work; and

WHEREAS, the City Commission finds that the aesthetic appearance of property within the City of Winter Garden relates to the general welfare of the people of the city by preserving or enhancing the value of the property; and

WHEREAS, the City Commission desires to include in the City of Winter Garden Code of Ordinances a comprehensive inventory of the public unpaved right-of-ways which are maintained by the City of Winter Garden.

NOW THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF WINTER GARDEN, FLORIDA, AS FOLLOWS:

SECTION 1: That Chapter 38, Article II. Weeds, Wild Growth, Unsightly Conditions of the City of Winter Garden Code of Ordinances is hereby amended to read as follows (words that are ~~stricken~~ are deletions; words that are underlined are additions):

DIVISION 1. GENERALLY

Sec. 38-28. ~~Duty~~ Responsibility of property owners.

It shall be the ~~duty~~ responsibility of the owner of each lot, tract or parcel of land within the city to reasonably regulate and effectively control excessive growths and accumulations of trash, weeds, garbage, refuse, waste, litter, lawn trimmings, and vegetation, as enumerated in division 2 of this article, on the property and on the portion of the adjoining unpaved public right-of-ways between the boundary line of each such owner's property and the street. It shall also be the duty of the owner to drain, regrade or fill any lot, tract or parcel which shall be unwholesome or unsanitary, which has stagnant water thereon, or which is in such other condition as to be susceptible to producing disease.

DIVISION 2. PUBLIC NUISANCES

Sec. 38-59. Scattering of Refuse.

No person shall cast, place, sweep, or deposit anywhere within the city any trash, weeds, garbage, refuse, waste, litter, vegetation, lawn trimmings or debris in such a manner that it may be carried or deposited by the elements upon any street, sidewalk, alley, sewer, parkway, or paved or unpaved right-of-way or other public place or into any occupied premises within the city.

Sec. 38-60. Duty to keep ~~premises~~ property clean.

It shall be unlawful for ~~the occupant or, if there is no occupant, the owner, agent, custodian, lessee or occupant~~ of any ~~house, yard, store, lot or land~~ residential, professional office, commercial or industrial lot, or tract, or parcel of land, whether improved or unimproved, to refuse fail to keep ~~thesuch house, yard, store, lot or land~~ property, including the paved and unpaved right-of-ways located between the property boundary line and the street, clean or to permit any trash, weeds, garbage, refuse, waste, litter, unkept vegetation, lawn trimmings, or debris, or any offensive matter of any kind to accumulate in and upon such premises property or right-of-ways.

Sec. 38-61. Discharging foul water or depositing decaying matter.

No person shall discharge on any street ~~or, alley, sidewalk, parkway, paved or unpaved right-of-way, or other public place,~~ or on his own ~~premises~~ property or the ~~premises~~ property of another any foul or fetid water or fluid substance, nor shall any person throw thereon any decaying flesh or vegetable or other offensive, noxious or noisome matter.

DIVISION 3. LOT CLEANING

Sec. 38-93. Definitions.

Property shall mean any lot, tract or parcel of land, or portion thereof, whether improved or unimproved, that is utilized or zoned for residential, commercial, professional office or industrial use, or any lot, tract or parcel of land, or portion thereof, ~~and adjacent right-of-way,~~ whether improved or unimproved, that is zoned agricultural but is being utilized, as determined by the code enforcement division manager, for residential, nonagricultural commercial, professional office or nonagricultural industrial use.

SECTION 2: That Chapter 62, Article III, Section 62-62 is hereby amended to read as follows (words that are ~~stricken out~~ are deletions; words that are underlined are additions):

Sec. 62-62. Planting on right-of-way.

No person shall place, plant or grow any plant, bush, shrub or tree upon any parkway, street, sidewalk, alley, paved or unpaved right-of-way or other public place within the city without the city's prior written consent ~~of the city commission~~.

SECTION 3: That Chapter 62, Article VI. Sidewalks of the City of Winter Garden Code of Ordinances is hereby amended to read as follows (words that are ~~stricken out~~ are deletions; words that are underlined are additions):

ARTICLE VI. SIDEWALKS AND UNPAVED RIGHT-OF-WAYS

Sec. 62-167. Unpaved right-of-way and sidewalk maintenance.

Property owners, agents, custodians, lessees, or occupants shall maintain sidewalks and unpaved right-of-ways adjoining their properties between the property boundary line and the street in a clean condition and at a minimum shall:

- (a) Keep such sidewalks and unpaved public right-of-ways clear of refuse, waste, litter, debris, excess vegetation, and weeds; and
- (b) Regularly mow or otherwise maintain unpaved areas in a neat and attractive condition; and
- (c) Prohibit new irrigation systems (supply lines or irrigation heads), trees, bushes or shrubs to be placed, planted or grown on sidewalks or in unpaved right-of-ways without the city's prior written consent. Water distribution patterns for irrigation systems should not encroach into sidewalks or other pavement areas; and
- (d) If an entity or person having jurisdiction or responsibility over a road or public right-of-way performs any routine maintenance or road improvement within any such right-of-way (for the purposes of this article, the term "right-of- way" shall have the same meaning as the definition therefore contained in § 334.03, Florida Statutes), the property owner, agent, custodian, lessee, or occupant of the property adjoining the right-of-way shall be responsible for removing and/or relocating mailboxes, flag poles and/or any other personal items and installations located within that portion of the adjoining right-of-way(s) located between the property and the street, including any existing irrigation system components or other property, or he/she/it will otherwise bear the cost for any loss or repair of such items and installations. The city is not responsible for replacement, repair, or reimbursement of such installations or items.

Sec. 62-168. Exemption: unpaved right-of-way, city maintained.

- (a) The following table is a comprehensive inventory of unpaved right-of-ways, or parts thereof, which are maintained by the City of Winter Garden:

TABLE INSET:

- (b) The inventory of city maintained unpaved right-of-ways identified in subsection (a) and the table above shall periodically be reviewed and amended as necessary by Resolution.
 (c) The above table and map of the locations identified is filed in the office of the City Clerk.

Sec. 62-169. Responsibility for non-compliance.

The owner, custodian, lessee, and/or occupant of property upon which a violation of this Article occurs, along with any agent responsible for the upkeep thereof, may be held jointly and severally liable for failure to comply with this Article.

Sec. 62-170. Enforcement; abatement of nuisance.

(a) First violation. Whenever a code enforcement inspector reports to the code enforcement division manager that there appears to be a violation of section 62-167 or 62-168, the code enforcement division manager shall direct that a notice of violation be served upon the property owner, and, if applicable, the agent, custodian, lessee or occupant, directing such owner, and, if applicable, the agent, custodian, lessee or occupant, to terminate and abate the violation within ten calendar days of the date such notice is received. For purposes of this division, notice is deemed received on the earliest of: (a) the day the notice is hand delivered to the property owner; (b) the date the notice is posted at the property; or five days after the notice is mailed to the property owner, postage prepaid. The code enforcement division manager shall, within five days of the date the notice is mailed, cause a sign to be placed upon the property in a conspicuous and easily visible location. The copy area of the sign shall measure at least eight inches by twelve inches in size and shall include the following information:

- (1) A sufficient description by address and/or legal description to identify the property upon which the violation exists;
- (2) A description of the violation to be terminated and abated;
- (3) A statement that if the described violation is not terminated and abated within ten calendar days after notice is received the code enforcement division manager shall cause the violation to be terminated and abated;
- (4) That a special assessment lien shall be imposed upon the property for the actual cost of such termination and abatement, plus administrative expenses; and
- (5) A preliminary nonbinding, minimum estimate of the cost of termination and abatement.

(6) The notice of violation shall further state in bold and conspicuous letters that if such violation, within the ten-day period prescribed by subsection (a) of this section:

- i. Has not been terminated and abated; or
- ii. Has not been timely appealed in accordance with section 62-171; or
- iii. Has been timely appealed but the appeal process proves unsuccessful, then the code enforcement division manager shall cause the violation to be terminated and abated, and the actual cost of such termination and abatement, plus administrative fees, shall constitute a special assessment lien on the property in accordance with section 62-172.

(b) Subsequent violation during same calendar year. If weeds, excessive growth of grass or plant material are permitted to grow or accumulate on private property in violation of this article more than one time within one calendar year of, a prior violation that was terminated and abated pursuant to this division, then the director of code enforcement, or his/her duly authorized agent, may, without further notification, remove such noxious growths in the manner set forth in section 62-170(c) of this Code, and may collect the total cost of such removal in the manner set forth in section 62-172 of this Code. The director of code enforcement or his/her designee may hire and enter into contracts with independent contractors to destroy or remove such weeds, excessive growth of grass or plant material.

(c) Imminent health threat (first and subsequent violations). In a case involving a condition which poses an imminent public health threat, the code enforcement division manager may, without prior notice, authorize the immediate termination and abatement of the condition.

(d) After the fact notice: Whenever the code enforcement division manager proceeds pursuant to subsection (b) or (c) herein, an after-the-fact notice shall be provided not later than five days after the termination or abatement of the condition, which notice shall include the following:

- (1) A description of the conditions that were terminated and abated;
- (2) Whether the conditions were terminated and abated without prior notice due to subsection (b) or (c), herein;
- (3) The actual cost of the termination and abatement, together with administrative fees, is due to be paid within ten days of the notice;
- (4) That the failure to pay the actual costs and administrative fees when due will result in imposition of a special assessment lien against the property; and
- (5) That the property owner may file a notice appeal to show that the property did not contain such violation within ten days of the notice, as provided by section 62-171.

(e) Terminated and abated. If the owner or other person in control of any property fails to destroy the weeds, excessive growth of grass or other plant material and thereby abate the nuisance within ten days after the notice described in section 62-170(a) is delivered, the director of code enforcement or designee, shall cause such nuisance to be terminated and abated. The director of code enforcement or designee may hire and enter into contracts with independent contractors to destroy or remove such weeds, excessive growth of grass or other plant material.

Sec. 62-171. Appeals.

- (a) Within the ten-day period prescribed by subsection 62-170 after notice is received, an aggrieved party may appeal the code enforcement division manager's determination that a notice of violation is warranted for the property in question pursuant to subsection 62-170(a), or that the property did not contain a condition authorizing immediate termination and abatement, pursuant to subsection 62-170 (b) and (c).
- (b) An appeal by an aggrieved party shall:
- (1) Be accompanied by a filing fee as determined by the board of city commissioners; and
 - (2) Be addressed to the code enforcement division manager; and
 - (3) Be either hand-delivered to the code enforcement division manager or postmarked within the ten-day period after notice is received.
- (c) Upon receipt of a timely appeal, the code enforcement manager shall schedule a hearing date before the code enforcement board.
- (d) At the hearing, the code enforcement board shall allow the code enforcement division manager or designee(s) and the aggrieved party an opportunity to present evidence and to examine and cross-examine witnesses. After considering the evidence and testimony, the hearing Inspector or code enforcement board shall make a factual determination as to whether the property is (or was), with respect to subsection 62-170 in violation of this article. If the magistrate or code enforcement board determines that the property is (or was) in violation of this article, he/she/it shall affirm the code enforcement division manager's issuance of the notice of violation and, with respect to an appeal of action taken pursuant to subsections 62-170(a), (b) or (c), issue an order requiring the aggrieved party to promptly clean the property to terminate or abate the violation, and/or, with respect to an appeal of action taken pursuant to either subsection 62-170(b) or (c), issue an order affirming the existence of conditions warranting immediate termination or abatement of the violation(s). If the aggrieved party has not remedied the violation within five calendar days after the date of the code enforcement board's written order finding one or more violations of this article, then the code enforcement division manager may have the property cleaned and cleared to the extent necessary to remedy the violation, and the property owner shall be responsible for such costs and related expenses. If the code enforcement board makes a factual determination that the property is not (or was not) in violation of this division, then the filing fee shall be returned to the aggrieved party, and, if the city has incurred costs in the cleaning and clearing of the property, the city shall bear the responsibility for such costs and reimburse the owner to the extent that the owner has paid the city for same.
- (e) Appeal of the code enforcement board decision, whether it is a first or subsequent offense, or an imminent health threat, shall be filed in a timely manner with the circuit court in accordance with section 2-70 of the Winter Garden Code.

Sec. 62-172. Liens; assessment.

- (a) After correcting a violation of this article as authorized in § 62-170, the code enforcement division manager shall certify to the city clerk the actual cost incurred in remedying such violation, whereupon such cost, plus a charge equal to 100 percent of such cost to cover city administrative expenses, shall become payable within ten days. If such costs are not paid within the allotted time, the City shall assess a special assessment lien and charge against

the property, which shall be payable with interest at the rate of 12 percent per annum from the date of such certification until paid.

(b) Prior to approving and recording a claim of special assessment lien pursuant to subsection (c), the city shall, by hand or certified mail, return receipt requested, deliver or send a notice of assessment of costs to the last known owner of record of the subject real property. If the assessment is not paid or arrangements satisfactory to the city have not been made to pay such assessment within ten days after notice is received, then the City may record the claim of special assessment lien.

(c) A lien assessed pursuant to this Article shall be enforceable in the same manner as a tax lien in favor of the city and may be satisfied at any time by payment thereof, including accrued interest. Notice of such lien may be filed in the office of the clerk of the circuit court and recorded among the public records of the county.

(d) The city attorney is authorized and directed to institute such proceedings in the name of the city in any court having jurisdiction over such matters against any property for which a lien has been filed pursuant to this article, and the property owner shall be liable for all costs, including reasonable attorney's fees, incurred in any such action.

Sec. 62-173. Opposing, obstructing or resisting code inspector.

No person shall oppose, obstruct or resist any code inspector or any person authorized by the code inspector in the discharge of his duties as provided in this article.

Sec. 62-174. No liability for reasonable, good-faith trespass by code inspector.

Any code inspector shall be immune from prosecution, civil or criminal, for reasonable, good faith trespass upon property utilized or zoned for residential, professional office, commercial, or industrial use while in the discharge of duties imposed by this article.

SECTION 4. CONTROL. In the event of a conflict or conflicts between this Ordinance and other Ordinances, this Ordinance shall control to the extent such conflict exists.

SECTION 5. SEVERABILITY. If any portion of this Ordinance is determined to be void, unconstitutional, or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall remain in full force and effect.

SECTION 6. CODIFICATION. That Section 1, Section 2, and Section 3 of this Ordinance shall be codified and made a part of the City of Winter Garden Code of Ordinances; the Sections of this Ordinance may be renumbered or relettered to accomplish such intention; and the word "Ordinance" may be changed to "Section", "Article", or other appropriate word.

SECTION 7. EFFECTIVE DATE. This Ordinance shall become effective upon approval of the City Commission at its second reading.

FIRST READING: _____, 2011.

SECOND READING AND PUBLIC HEARING: _____, 2011.

ADOPTED this _____ day of _____, 2011, by the City Commission of the City of Winter Garden, Florida.

APPROVED:

JOHN REES, Mayor/Commissioner

ATTEST:

KATHY GOLDEN, City Clerk

ORDINANCE 11-20

AN ORDINANCE OF THE CITY OF WINTER GARDEN AMENDING ARTICLE VI, CHAPTER 118 OF THE CITY'S CODE OF ORDINANCES TO INCLUDE NEW DIVISIONS 10, 11, AND 12 ESTABLISHING PERMITTING PROCEDURES AND STANDARDS FOR DOCKS, SEAWALLS, BOAT RAMPS, AND SHORELINE ALTERATIONS; PROVIDING FOR CODIFICATION, CONFLICTS, SEVERABILITY, AND AN EFFECTIVE DATE

WHEREAS, the City desires to establish an ordinance concerning the construction of docks, seawalls, shoreline improvements, boat ramps, and shoreline alterations; and

WHEREAS, the adopted City of Winter Garden Comprehensive Plan commits the City to maintaining and improving the quality of surface waters and protecting the natural resources of Winter Garden; and

WHEREAS, it is the intent of the City to regulate shoreline alterations, docks, sea walls, boat ramps, and shoreline improvements to minimize the adverse impacts of such activities and structures upon the City's natural resources; and

WHEREAS, it is the intent of this article to apply these regulations in a manner that is sensitive to the property rights of applicants and persons residing in lake front areas and the rights of citizens of Winter Garden to enjoy the benefits of the City's natural resources; and

WHEREAS, recreational use of waters may reach a saturation level, at which point, overuse of the waters results in a decline in the recreational value of lakes and streams and a decline in the overall water quality of such waters; and

WHEREAS; in order to protect the public health safety and welfare, preserve the natural beauty and attractiveness of waters in the City, and maintain the water quality of waterways and water bodies in the City of Winter Garden, the City Commission enacts this ordinance pertaining to the regulation of shoreline alterations, docks, seawalls, shoreline improvements, and boat ramps; and

THEREFORE, BE IT ENACTED BY THE CITY OF WINTER GARDEN, FLORIDA:

SECTION I The City of Winter Garden hereby establishes and adopts new Division 10 of Article VI of Chapter 118 of the Winter Garden Code of Ordinances entitled "Boat Docks, Sea Walls, and Shoreline Improvements," which shall read as follows:

DIVISION 10. BOAT DOCKS, SEA WALLS, AND SHORELINE ALTERATION.

Sec. 118-1322 – Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Dock means (i) any permanently fixed or floating structure extending from the upland into the water, capable of being used to moor vessels and/or conduct other water-dependent recreational activities;

(ii) any floating structure, boat lift, or mooring piling, detached from the land, that is capable of being used to moor vessels and/or conduct other water-dependent recreational activities; or (iii) any area adjacent to the dock designated or designed for mooring purposes. This term shall not include any vessel that is not permanently docked, moored, or anchored.

Normal High Water Elevation (“NHWE”) shall mean and refer to the higher of (a) the landward edge of any natural surface water body during normal hydrological conditions, as determined by the City Engineer or Orange County, or (b) the minimum Infrequent High (IH) water elevation established by the Saint John’s River Water Management District (“SJRWMD”).

Person means any individual, firm, partnership, corporation, or other entity, including governmental entities.

Private dock means a dock (excluding public docks) intended to be used by only those persons residing on or owning the upland parcel served by such structure and the usual and customary guests of such persons.

Projected property line means a straight, linear continuation of, and extension to, the upland property line into a body of water. In cases in which bottomland is owned privately (i.e., non-sovereignty submerged lands underlying a water body), the projected property line is also the actual property line.

Public dock means a dock that is open to the public access, including docks that are owned or otherwise controlled by commercial establishments, governmental and non-governmental institutions, and private organizations. The fact that an entity may require a fee or membership to access the dock shall not alter the public character of the dock.

Riparian rights means and refers to those legally cognizable rights incident to lands bordering upon navigable waters, rivers, and streams..

Littoral Rights means and refers to those legally cognizable rights incident to ownership of property abutting the shoreline of a lake, canal, pond or other waters.

Seawall means and refers to a protective wall or structure constructed along the shoreline used to prevent or otherwise protect property from shoreline erosion, swells, or flooding.

Shoreline means the upland and submerged areas immediately abutting the Normal High Water Elevation (“NHWE”) as defined in this section.

Shoreline alteration means and refers to the construction, installation, or emplacement of structures and other improvements along or near the shoreline and used in connection with aquatic activities, including structures such as docks and seawalls, but excluding boat ramps as defined and regulated in Division 11 of Chapter 118 of this Code.

Waters means and includes, but is not limited to, rivers, lakes, streams, waterways, bays, springs, impoundments, inlets, canals, and all other waters or bodies of water, whether natural or artificial.

Sec. 118-1323. Shoreline Improvements – Docks, Seawalls, and Other Shoreline Improvements.

- (a) Any person desiring to construct shoreline improvements within the City shall first apply for a permit prior to the installation of such improvements. Application shall be made to the City Building Department. A review fee of \$100 shall be paid at the time the application is submitted for review. An additional Engineer Review Fee (on a dollar for dollar basis) shall be charged to the applicant. The payment of such application fee shall in no way guarantee issuance of a shoreline improvement permit, and such fee is nonrefundable. No permit application will be accepted unless there is a principal use established on the property.
- (b) Standards for seawalls and docks. All seawalls and docks must conform to the following standards:
1. Seawalls:
 - i. Seawalls must be constructed landward of the Normal High Water Elevation.
 - ii. Seawalls cannot fill within the 100 year flood plain without providing compensating storage.
 - iii. Seawalls cannot be constructed within any conservation, drainage or utility easement.
 - iv. Seawalls cannot cause the filling or alteration of environmental swales and/or drainage areas as required and permitted by SJRWMD without the express written approval (i.e., permit modification) of SJRWMD.
 - v. Seawalls must have a minimum of 40% penetration below existing grade and have no more than a 3 to 1 slope facing waterward that is at least equal to the height of the wall above grade, as certified by plans signed and sealed by a qualified engineer.
 2. Docks:
 - i. Dock posts must, at a minimum, measure 4 inches x 4 inches in girth and be pressure treated for marine construction. Furthermore, such posts must be set a minimum of 4 feet into the existing lake, pond, river, or stream bottom.
 - ii. All dock posts must be made from acceptable materials capable of withstanding reasonably anticipated environmental stresses and loads, such as poured in place concrete, solid poured concrete blocks 12"x16" with an aesthetically pleasing poured top beam, or vertical slabs with an aesthetically pleasing top beam.
 - iii. All dock applications must include a statement from a professional Engineer or Architect stating the proposed foundation depth will accommodate the stresses and loads that the dock is anticipated to bear.
 - iv. Docks and or seawalls shall not be constructed in retention ponds or canals.
- (c) Applications. Application forms shall be available from the City's Building Department. All applications shall indicate whether the proposed shoreline improvements will be for public or private use. Shoreline improvements intended for private residential use that meet all applicable criteria shall be deemed permitted accessory uses in all waterfront areas that are zoned for residential use. If the proposed shoreline improvements are intended for public use, the applicant, depending upon the zoning classification of his/her property, may have to request a Special Exception permit from the Planning and Zoning board and City Commission. All applications must also include a scale drawing(s), signed and sealed by a licensed professional engineer or architect, accompanied by five copies thereof, that provides accurate information as to each of the following elements:

1. An arrow shall be drawn to indicate the northerly direction of the property. Furthermore, the drawing shall indicate the scale to which the drawing was prepared and the name of the lake or water body on which the shoreline improvements will be located. All drawings must be drawn utilizing an industry standard engineering scale;
 2. The sealed drawing(s) must show the dimensions of the property, and the length and location of the proposed dock, seawall, or any other shoreline improvements; and identify the licensed contractor who will be installing or otherwise constructing such improvements..
 3. The exact distance between the existing shoreline and the point where the shoreline improvement is being proposed depicted in relation to a permanent landmark or structure (e.g., a house or large tree);
 4. The exact distance of setbacks from adjacent property lines, the extension of those property lines into the water body, and an approximation of the distance of the proposed shoreline improvements to the closest existing docks, seawalls, or any other existing shoreline improvements or alterations located on either side of the property;
 5. The floor elevation of the proposed dock, and the floor and roof elevation of any boat house or other structure connected to the dock;
 6. The depth of the water at the end of the proposed dock;
 7. The drawings must include a survey prepared by a Florida Registered Surveyor that indicates the precise location of the normal high water elevation and all existing conservation easements, conservation tracts, and conservation areas.
 8. The drawings shall further be accompanied by all necessary clearance letter(s) and/or permit(s) from the St. Johns River Water Management District (“SJRWMD”).
- (d) Application Review. Shoreline improvement applications shall be reviewed and processed by the Building Department and the Engineering Department pursuant to the following rules and regulations with additional review to be conducted by the Planning and Zoning Department. Upon compliance with the following procedures and approval of the Building, Engineering, and Zoning departments, the City may issue a permit for the proposed improvement along with any conditions required to meet the requirements of this Division:
1. Notice to neighboring Property Owners. Upon receipt of an application, the city shall send notices by first class mail to the owners of properties located within 300 feet of the parcel to be served by the shoreline improvement. All such notices shall require that written comments concerning the proposed improvements be sent to the city within 15 days following the date the notices were sent.
 2. Building Permit Application. All requests for Building Permits for a dock, seawall, or other shoreline improvements must meet the following requirements in order to be approved:

- i. Docks and seawalls shall have a minimum side setback of fifteen (15) feet from the projected property line abutting the shoreline, unless such requirement is reduced by variance, which shall be subject to review by the Engineering department and the approval of the Planning and Zoning Board and City Commission.
- ii. The length and configuration of docks or seawalls and other shoreline improvements shall be designed to assure that the applicant's reasonable use of such improvements will not unreasonably interfere with the riparian or littoral rights of other persons and property owners to use and access the lake. The length of a boat dock, seawall, or other shoreline improvement must be measured from the normal high water elevation on the shoreline as established in relation to a fixed landmark, object or permanent structure on the lot. Consideration will be given to the length and configuration of other existing docks, seawalls, and improvements abutting the lake or waterway and any other applicable policies or restrictions established by the City or state. No work shall be performed in easement areas established to provide for ingress, egress, drainage, or utilities. Under no circumstances shall a permit for the construction of a dock or seawall be utilized to construct any structures or facilities intended for residential habitation. No dock, seawall, or other shoreline improvement may exceed a length of 100 feet when measured waterward from the normal high water elevation.
- iii. The minimum height of docks, seawalls, and other shoreline improvements must exceed the normal high water elevation. No dock, seawall, or other shoreline improvement shall stand more than (13) feet above the normal high water elevation, provided that the dock does not unreasonably obscure the view of the adjoining water body when viewed from other waterfront properties. Docks may be equipped with roofs but cannot be enclosed about the sides, regardless of whether such enclosure is constructed from walls, fencing, screening, latticework, or fabric; however, transparent mesh screens shall be allowed to protect against insect intrusion.
- iv. Docks, seawalls, and other shoreline improvements, shall not impair or impact wetlands or riparian zones unless all necessary permits are obtained from the City, the Saint John's River Water Management District, the Florida Department of Environmental Protection, and any other state or federal agencies having regulatory jurisdiction over the affected property.
- v. No dock, walk, deck, or other similar shoreline improvement shall have a surface area exceeding 1,000 square feet.
- vi. The application must address standards for docks on canals, rivers, streams, or waterbodies measuring less than 200 feet wide to avoid restricting the navigability of such waters.
- vii. All shoreline improvement applications shall be accompanied by professionally prepared drawings of the proposed improvements that are signed and sealed by a professional engineer or architect.

- viii. Shoreline improvements cannot be located in easement areas provided for ingress, egress, drainage or utilities.
- ix. Walkways, docks, patio and decks located landward of the NHWE shall not exceed twenty-five percent (25%) of the rear setback area.
- x. No permit for a shoreline improvement shall be issued if the application demonstrates a reasonable potential that any of the following conditions will occur as a result of the construction or installation of such improvement:
 - a. Obstruction or impairment to navigability;
 - b. Unreasonable impairment of the view of the water body from other waterfront properties;
 - c. Hazardous or unsafe conditions; or
 - d. Unreasonable interference with the riparian or littoral rights of other nearby property owners. In the context of this criterion, “unreasonable interference” shall include but not be limited to situations in which a proposed structure impedes access to or ingress and egress of boaters and swimmers from other nearby docks and shorelines; infringes upon or otherwise intersects commonly traveled boat routes or established watercraft channels; or creates an unusual configuration of the shoreline that restricts boating access within navigable sections of the waterway.

(e) Building permit required. Following the approval of an application for a proposed dock, seawall, or other shoreline improvement, the applicant must obtain a building permit from the City building department prior to commencing construction. Construction must be commenced and/or completed within the guidelines established by the building department.

(f) Variances.

An application for a variance from the requirements of division 10, 11, or 12 of this Article shall be made to the Planning and Zoning Board simultaneous with the submission of a shoreline improvement application and any applicable permit and review fees and will follow the adopted variance procedures. When a variance is requested, the applicant shall also submit to the city five sets of plans identifying the variance sought and setting forth those facts justifying the requested variance.

In addition to the criteria for variances established under § 180-131 of this Code, the Planning and Zoning Board and City Commission shall further consider the following as they specifically apply to variances issued for shoreline improvements, boat ramps, and shoreline alterations:

1. The average length and configuration of other docks or seawalls in the area;
2. The owner’s right to enjoy reasonable use of his/her/its property;
3. The effects the improvements will have on navigability, safety, and the rights of adjoining property owners to enjoy the reasonable use of their properties;
4. The impact, if any, on the neighborhood and nearby properties;
5. Whether special conditions exist such that strict compliance with the provisions of this article would impose a unique and unnecessary hardship on the applicant;
6. The effect of the proposed variance on abutting shoreline property owners;

7. Whether the granting of the variance would be contrary to the intent and purpose of this article; and
8. Whether a variance is necessary to reach a water depth suitable for boating (i.e., usually 5 feet or more)

(g) Appeals.

1. Permits. The applicant or any person entitled to notice may appeal the approval or denial of an application for a shoreline improvement, boat ramp, or shoreline alteration permit to the City Commission by filing a petition within ten (10) days of such approval or denial. Such petition shall be submitted to the city manager or his/her designee in writing and set forth the reasons and evidentiary basis for overturning the approval or denial of the requested permit. A timely filed appeal shall be heard by the City Commission within thirty (30) days of the date such appeal is filed with the City, although the City Manager may authorize an extension of such thirty (30) day period to forty-five (45) days.
2. Variances and Special Exceptions. Decisions of the Planning and Zoning Board concerning variances and special exceptions related to the subject matter contained in divisions 10, 11, or 12 of this Article may be appealed to the City Commission in accordance with § 98-31 of this Code.
3. Appeals from Decisions of the City Commission. Appeals from the decisions of the City Commission shall be made in accordance with § 98-32 of this Code.

(h) Scope, effect of permit.

Permits issued for shoreline improvements, boat ramps, and shoreline alterations shall not substitute for any permitting requirements of any state or federal agencies but shall instead be cumulative to any necessary environmental permits. The City shall not permit any shoreline improvements, boat ramps, or shoreline alterations in any areas where state or federal regulations prohibit the construction, installation, or implementation of such.

SECTION II. The City of Winter Garden hereby establishes and adopts new Division 11 of Article VI of Chapter 118 of the Winter Garden Code of Ordinances entitled “Boat Ramps,” which shall read as follows:

DIVISION 11. BOAT RAMPS.

Sec. 118-1325 – Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Boat ramp facility means the boat ramp and any other improvements which may be required or authorized by state or local regulations or this article to be built in conjunction with a particular type of boat ramp.

Boat ramp means any structure or clearing that extends waterward of the normal high water elevation or any structure or clearing upon which trailerable watercraft can be launched into or retrieved from a body of water. Regardless, this definition shall not apply to a homeowner who clears land which is the site of his personal residence in compliance with applicable regulations without building any structure or dredging or filling for the sole purpose of launching and retrieving his or her personal watercraft.

Boat ramp facility permit means a permit issued by the City of Winter Garden pursuant to the regulations contained herein, which permit, in conjunction with the required building permit(s), authorizes construction of a boat ramp facility. The permit shall automatically expire and reapplication shall be required in the event that construction of the boat ramp facility is not completed within one (1) year of issuance of such a permit.

Boat ramp facility site means a duly platted lot or parcel of record which is the location of any boat ramp facility.

Commercial boat ramp facility means a boat ramp and any improvements required or authorized by state or local regulations to be built in conjunction therewith, the use of which is fee-based, open to equal public access, and intended to profit its owner, not including; (1) fees paid by any homeowner or condominium association for maintenance of common elements; or (2) fees imposed by any governmental or quasi-governmental entity. A commercial boat ramp facility shall also include any boat ramp used in connection with any commercial establishment where the boat ramp is used as an enhancement to the principal function of the basic facility, whether or not use of the boat ramp facility itself is fee-based or profit motivated, or both.

Companion boat mooring docks means a single mooring boat dock required or authorized to be built in conjunction with any boat ramp. A companion boat mooring dock may be permitted as part of the boat ramp facility permit and shall not require a boat dock permit. However, the companion boat mooring dock shall require a separate building permit.

Private boat ramp facility means a boat ramp and, if applicable, any improvements required or authorized by state or local regulations to be constructed in conjunction therewith, other than a commercial boat ramp, which boat ramp and improvements are not the subject of unrestricted public access to waters, and which are intended to be used, and are in fact used, only by those persons living in the single-family residence located at the boat ramp facility site and their usual and customary guests who are either in the company of the resident or using the resident's watercraft. It is intended that this type of facility be limited in scope of use. It is further intended that any application for a private boat ramp facility or semi-private boat ramp facility which is approved as such, but is in fact routinely used by individuals other than usual and customary guests of a private resident who are either in the resident's company or using the resident's watercraft, shall be considered an illegal use and be subject to revocation upon majority vote by the City Commission.

Projected property line means a continuation of, and extension to, the upland property line into a body of water. In cases of privately owned bottomland, that is, non-sovereignty submerged lands underlying a water body, the projected property line is the actual property line.

Public boat ramp facility means a boat ramp and any improvements required by state or local regulations to be constructed in conjunction therewith, which provide the general public with unrestricted public access to waters.

Semi-private boat ramp facility means a boat ramp facility (other than a commercial, public or private boat ramp) along with a companion boat dock and any other improvements required by state or local regulations to be constructed in conjunction therewith, which are intended for the use of, and are in fact used by, a group of residents living in a subdivision or multifamily development, as the case may be, wherein a boat ramp facility is located or their usual and customary guests, but only if in the company of such residents.

Unrestricted public access means:

- 1) Open to any member of the general public at reasonable hours, free of charge; or
- 2) Operated by any governmental entity including, but not limited to, City of Winter Garden

Sec. 118-1326 Permit procedure and criteria.

(a) Application and supporting data. Any person applying for a boat ramp permit shall be required to submit five (5) copies of the application to the Community Development Department - Building Division. No application shall be accepted unless accompanied by an application fee, as established by the City, which fee shall be nonrefundable, the payment of which does not guarantee issuance of a permit. Application forms shall be provided by the Building Division and shall require the following information, at a minimum:

1. Proof of applicable Florida Department of Environmental Protection permits for the proposed boat ramp and, if requested, the companion boat dock;
2. Proof of applicable U.S. Army Corps of Engineers permit for the proposed boat ramp and, if requested, companion boat dock;
3. If applicable, a copy of the submerged lands lease from the Florida Department of Natural Resources pertaining to the requested boat ramp and, if requested, the companion boat dock.;
4. Satisfactory evidence of title to or extent of interest of the applicant in:
i. the riparian upland ownership; and
ii. the ownership of the submerged boat ramp facility site.

Regardless of the foregoing, a claim of ownership of the submerged part of the boat ramp facility site by the Florida Department of Natural Resources shall not preclude issuance of a boat ramp facility permit, provided that the applicant has complied with any applicable department of natural resources or other state or federal requirements necessary to allow use of such submerged lands;

5. A survey of the boat ramp facility site, including a depiction of all easements, rights-of-way, improvements and other encroachments. The survey shall depict the property at the time of permit application and shall be prepared, signed and sealed by a surveyor registered in the State of Florida;
6. A site plan depicting the boat ramp facility and any other existing or proposed improvements (including parking spaces) at the boat ramp facility site. Such site plan shall also depict the normal high water elevation. A site plan for a semi-private boat ramp facility or commercial boat ramp facility must be prepared by a professional engineer licensed in the State of Florida;
7. Calculations regarding the amount of fill and excavation that will be required for construction of the boat ramp facility;
8. A list of materials that will be used to construct the boat ramp facility;
9. Cross section survey depicting slopes, elevations and depth profiles of the boat ramp facility;
10. Verification that the proposed boat ramp facility is a permitted use under applicable zoning regulations or has otherwise been approved by the Planning and Zoning Board as a special exception;

11. Any applicable permitting fees which may be set from time to time by City Commission by separate resolution;
12. A current tax map illustrating all upland property located within a three-hundred (300) foot radius of the boundaries of the boat ramp facility site, including the names and mailing addresses of the owners of all such properties. If the application is for a public or commercial boat ramp facility, or for a semi-private boat ramp facility where launching of motorized boats would be allowed, the names and mailing addresses of the following upland owners is required:
 - i. if the proposed boat ramp facility is on a lake, all upland owners on the lake whereon the proposed boat ramp facility is to be located; or
 - ii. if the proposed boat ramp facility site is on a canal or similar impoundment, all upland owners on the nearest lake which is navigably accessible from the canal or impoundment as well as those upland owners on the subject canal or impoundment.

(b) General site performance criteria and requirements.

1. No boat ramp facility of any kind shall be permitted without adequate stormwater management facilities which, in the opinion of the City Engineer, are designed to effectively intercept all stormwater from the boat ramp above the normal high water elevation; however, all commercial boat ramp facilities and semi-private boat ramp facilities shall be required to have stormwater management facility designs consistent with the criteria contained in this Chapter. The foregoing criteria are not intended to exempt the upland portion of the boat ramp site from any other applicable regulations regarding stormwater retention and mitigation.
2. No private or semi-private boat ramp shall be more than fifteen (15) feet in width.
3. In order to prevent boat prop scouring and littoral zone damage, no boat ramp facility, except for a private boat ramp facility, shall be permitted unless built in conjunction with a companion boat mooring dock.
4. A companion boat mooring dock shall have not more than one (1) boat slip, unless constructed in conjunction with a commercial or public ramp facility.
5. To discourage boat maintenance and repairs at boat ramp facility sites, electrical outlets and lighting of any kind shall be prohibited within one hundred (100) feet of any boat ramp facility, except for a private boat ramp facility.
6. Public road access to any commercial or public boat ramp facility site is mandatory.
7. Adequate parking for cars and trailers at any semi-private boat ramp facility site must be provided. Parking on adjoining streets is prohibited.
8. The parking of any car or trailer at any semi-private boat ramp facility site by individuals other than those authorized to use the boat ramp facility site is expressly prohibited. At least one (1) sign informing the public of the foregoing restriction and one (1) "Tow-Away" warning sign, as required by the applicable state statute, shall be required at each semi-private boat ramp facility site. All parking areas shall be landscaped in accordance with this Chapter. A landscape buffer of at least ten (10) feet or, in the alternative, a five-foot high masonry wall shall be required between parking areas that are adjacent to residential areas. The number of parking spots permitted at a semi-private boat ramp facility shall be limited to a maximum of six (6) vehicle and trailer spaces.
9. No semi-private companion boat mooring dock shall exceed the length of the boat ramp (measured from the normal high water mark to the waterward end of the ramp) or exceed a width of four (4) feet.
10. Boathouses and other similar sheltered structures proposed to be built in conjunction with a companion boat mooring dock are prohibited.
11. No portion of any boat ramp or any type of boat ramp facility shall be closer than twenty-five (25) feet from the projected property line of abutting shoreline owners.

12. No boat ramp or any type of boat ramp facility may be located on any lot or parcel that is smaller than seventy (70) feet wide by one hundred (100) feet deep (or equivalent perimeter in the event of irregularly shaped lots). Except in the case of a private boat ramp facility, any such boat ramp or boat ramp facility shall be considered the principal use of any such lot or parcel.
13. A developer's agreement between the applicant and City shall be required as a condition of approval of any commercial or semi-private boat ramp facility, which agreement shall be recorded at the applicant's expense and shall: (a) allocate to the applicant and its successors and assigns the responsibility for maintenance and costs arising from use of the boat ramp facility including, but not limited to, costs for increased water safety enforcement and maintenance, which costs shall not exceed ten (10) percent of the assessed value of the boat ramp facility site; (b) set forth any applicable restrictions on the use of such boat ramp facility; (c) authorize that the semi-private boat ramp facility site may be liened in the event that the boat ramp facility site is not properly maintained; and (d) require the applicant to post a one-year irrevocable letter of credit, in favor of the City, in the amount of ten (10) percent of the assessed value of the boat ramp facility site in favor of the City to secure the foregoing costs.
For the purposes of this subsection, "maintenance" shall mean keeping the boat ramp facility and site in a condition which is:
 - i. compliant with applicable land development and safety regulations;
 - ii. consistent with the standard of upkeep of the majority of lots of the subdivision (or surrounding neighborhood if the boat ramp facility site is not located within a subdivision) wherein the boat ramp facility site is located; and
 - iii. safe and functional.
14. The City shall have the authority to clean, clear, fence and otherwise block access to any boat ramp facility site that is not properly maintained until such site has been restored and repaired to the satisfaction of the City and the City has been reimbursed for the costs of cleanup.
15. Overnight mooring, beaching or storage of boats shall be prohibited at any semi-private boat ramp facility site.
16. Restrooms at semi-private boat ramp facilities are encouraged.
17. There shall be no more than one (1) boat ramp per subdivision or, if there is no subdivision, planned development.
18. All semi-private boat ramp facilities shall have at least one (1) trash receptacle with a capacity of at least 33 gallons.
19. All parking, refuse and restrooms shall be designed in a manner consistent with the surrounding land uses.
20. Landscaping, screen walls and any other available measures to reduce and mitigate unreasonable noise impacts shall be a part of the design of all boat ramp facilities.
21. A "No Wake" sign shall be posted at all boat ramp facilities requiring no wake within a one-hundred-foot radius of the boat ramp facilities, regardless of whether a skier, wakeboarder, or other person and/or object intended to be towed by a boat is being dropped off or picked up.

(c) *Minimum design criteria.*

Any public or commercial boat ramp facility shall, in addition to the foregoing, be subject to the following minimum design criteria:

1. *Boat ramp size:*
 - i. *Width:* Single lane, twelve (12) to fifteen (15) feet in width. For additional lanes, use multiples thereof; for example, a double lane boat ramp would be thirty (30) feet in width.
 - ii. *Length:* The surface of the ramp should be paved down to an elevation of five (5) feet below the lowest recorded water elevation and two (2) feet above the normal high water elevation.
2. *Boat ramp slope:* A minimum of ten (10) degrees and maximum of fifteen (15) degrees.

3. Number of lanes: A minimum of one (1) lane for every fifty (50) boats per day for which the boat ramp facility is designed.
 4. Miscellaneous boat ramp criteria:
 - i. All boat ramps shall have a wheel stop to prevent the boat trailer from backing off of boat ramp.
 - ii. All shoreline alterations shall be stabilized. For purposes of this article, a stabilized shoreline shall include, but not be limited to, the following: rock revetment, aquatic vegetation planting or sod, each of which must be staked in place.
 - iii. The wetted part of a boat ramp should be paved with three thousand (3,000) psi concrete.
 5. Companion boat docks: One (1) companion boat dock shall be required to be constructed in conjunction with each boat ramp lane which is part of a commercial or public boat ramp facility. Each such companion boat dock shall extend out into the water basin and have a minimum boarding length of fifty (50) feet for each boat ramp lane and conform to the requirements imposed under Division 10 of this Chapter unless stated otherwise herein or modified by an appropriate variance.
 6. Maneuverability:
 - i. Boat ramps shall have an approach area for maneuvering and backing, extending at least forty (40) feet from the landward end of the boat ramp.
 - ii. The approach area shall be designed to allow a vehicle to approach the boat ramp at a horizontal angle no greater than thirty (30) degrees from center line of the boat ramp.
 7. Parking:
 - i. No more than: (a) thirty (30) vehicle and trailer spaces; and (b) three (3) vehicle only spaces shall be allowed on one (1) acre of a boat ramp facility site. Regardless, two (2) vehicle only spaces may be substituted for any one (1) of the "vehicle and trailer" spaces permitted under this provision.
 - ii. Parking spaces shall be depicted on the site plan submitted by the applicant and must demonstrate that there is reasonable space allowed for safe circulation of the maximum number of vehicles and connected trailers proposed to be parked at the boat ramp facility site.
 8. Locational criteria: In order to minimize scouring of sediments and destruction of littoral zones, navigable water access must exist at all times from the submerged end of the boat ramp.
- (d) Review criteria.
Boat ramp applications shall be processed by the Building Department and the Engineering Department with additional review to be conducted by the Planning and Zoning Department. City staff shall review permit applications and, in addition to ensuring that all other applicable requirements are met, shall issue the permit with or without conditions or otherwise deny the permit, after considering the shoreline configuration, depth, surface area, and tophic condition of the water body whereon the boat ramp facility is proposed, in conjunction with the following criteria:
1. The potential number of additional users of the waters that would result from approval of the boat ramp facility;
 2. The number of existing boat ramps and similar recreational uses on the waters and the extent to which such existing boat ramps and similar recreational uses to the waters are available to the public;
 3. Noise impacts on residents living directly adjacent to the waters;
 4. The impact that the proposed semi-private boat ramp facility will have on the adjacent area (it is the intent of this subsection that strong preference be given to proposed semi-private boat ramp facilities located on internal lots, as opposed to corner lots in a subdivision);

5. Whether the fish, wildlife, flora and fauna, including endangered or threatened species (as those threatened or endangered species may be defined from time to time by the applicable local, state or federal laws and regulations) or their habitats will be adversely affected;
6. Whether the boat ramp facility will adversely affect navigation, water quality, water flow, or cause harmful erosion, shoaling, or sediment resuspension;
7. Whether there exists a navigable passage from the boat ramp facility to the waters;
8. Whether the ecological balance of the waters will be adversely affected;
9. Whether the boat ramp facility will adversely affect significant historical and archaeological resources as defined by state law;
10. Whether the boat ramp facility will pose a hazard to normal vehicular traffic as a result of trailering vehicles leaving or entering roads;
11. Whether the boat ramp facility will pose a hazard to boating traffic on the waters, or otherwise adversely affect public safety, given the number of people using the waters, as well as the size, depth and shoreline configuration and natural contours (i.e., existence of a cove, blind spot, etc.) of the subject waters;
12. If there is existing unrestricted public access to the waters where the boat ramp facility is proposed, the applicant must further demonstrate the need for additional access to the waters considering in part:
 - i. The number of existing boat ramps on the subject waters;
 - ii. The number of existing boat ramps on any adjoining waters connected to the subject waters by any waters capable of passage by any watercraft; and
 - iii. The distance from the proposed boat ramp facility to any existing boat ramp on the same waters.
13. Whether the proposed boat ramp facility would adversely affect areas of special concern including, but not limited to, outstanding Florida waters, wetlands areas which provide habitat for endangered species or threatened species (as those endangered or threatened species may be defined by applicable local, state or federal law or regulations) and conservation areas as defined by, and in accordance with, the City comprehensive plan.
14. Interrelationship and organization of multiple uses of the water body that is the site of the proposed boat ramp facility, including:
 - i. Whether portions of the lake surface have been designated for different activities;
 - ii. The type of boating permitted on the water body (e.g., whether only nonpower boating has been authorized);
 - iii. Whether certain uses of the lake have been restricted to certain times of the day;
 - iv. Whether no-wake areas have been established around shoreline fishing areas,
 - v. The location of swimming areas or other existing or permitted boat ramps.

(e) Notice.

Notice to neighboring property owners. Upon receipt of an application the City shall send notices by first class mail to the owners of the property in the general neighborhood (typically but not limited to 300 feet). All such notices shall require that written comments on the proposed boat ramps be sent to the city within 15 days from the date the notices were sent.

SECTION III The City of Winter Garden hereby establishes and adopts new Division 12 of Article VI of Chapter 118 of the Winter Garden Code of Ordinances entitled "Shoreline Alteration," which shall read as follows:

SECTION IV SHORELINE ALTERATION

Sec. 118-1330 – Findings, purposes and objectives.

- (a) Shoreline vegetation is necessary for the health and viability of a lake system. Sediments and nutrients, contributed both by stormwater runoff and recirculation within the lakes' waters, are removed by shoreline vegetation and associated areas by means of filtration and recycling through the shoreline vegetation.
- (b) Both wave action and stormwater runoff will cause extensive erosion of nutrient-laden soils, particularly where those soils have been destabilized by removal of shoreline vegetation.
- (c) Shoreline vegetation both protects and improves water quality and should be protected from substantial clearing.
- (d) The City is authorized, pursuant to general law, to regulate and control conservation and beach erosion control programs. The City is authorized to regulate and control all lakes, canals, streams, waterways, inlets, bays, and their alteration by dredging, filling, pumping and otherwise altering the shoreline, land contours and/or water areas in the interest of public rights, public welfare, protection of public riparian property rights, and preservation of the natural beauty and attractiveness of the lakes, canals, streams, waterways, inlets and bays.
- (e) In order to protect the public health, safety and welfare, preserve the natural beauty and attractiveness of waters of the City, and maintain lake water quality and reduce nutrient loading in public lakes, this Division is hereby enacted as a measure to protect the legitimate public interest by restricting the amount of clearing or removal of shoreline vegetation.

Sec. 118-1331 – Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Clearance means the alteration of or removal of shoreline vegetation by chemical treatment, mechanical or non-mechanical uprooting or removal or the removal or addition of soil above a shoreline.

Reestablish means the regrowth of shoreline vegetation, where the average height of growth measures more than fourteen (14) inches above the exposed shore or normal high water elevation, as appropriate.

Shoreline alteration shall mean and refer to the alteration of a shoreline, including the dredging, filling, and trenching of land located along the shore of a body of water.

Shoreline vegetation means aquatic or wetland vegetation naturally occurring in the waters and shoreline environments of Florida, including, but not limited to, those plants listed in F.A.C. § 62-301.400(2) and (3).

Sec. 118-1332 – Permit; appeals.

(f) Unless exempted from these regulations, all those persons desiring to perform or cause to be performed any clearance of a shoreline shall be required to obtain a permit conforming to the procedures and standards set forth in this division.

(g) Each applicant must address and include the following information in an application submitted to the City (applications shall be made available through the Community Development Department - Building Division) and abide by the following rules:

1. The percentage of shoreline vegetation proposed to be removed and/or soil to be removed or added.
2. Two (2) copies of a plan clearly illustrating the locations of the work requested with respect to the applicant and other affected persons, water levels, lake bottom elevations, and elevations of requested work above and below water and the legal description of subject property. The plans shall include a copy of a current certified survey of the property;
3. The proposed means of minimizing, mitigating, and controlling erosion;
4. The proposed method for filtering runoff;
5. The proposed method for reducing the nutrient concentration in both surface runoff and lake waters;
6. The proposed means of stabilizing soils at and below the normal high water elevation;
7. The justification for any replacement vegetation to be used and whether and how such vegetation will protect and improve water quality;
8. The location of any existing conservation easements;
9. Certification of the applicant or his authorized agent in the form of his/her signature;
10. A list of names and addresses of adjacent property owners and any other property owners who are reasonably expected to be significantly affected by the proposed alterations.
11. An applicant cannot propose clearing and filling for the purpose of creating new sandy beach areas or expanding any sandy beach areas existing before the effective date of this ordinance. Any application intended therefore or that will have such net effect will be denied; and
12. All mechanically cleared or trimmed vegetation shall be removed from the lake and the normal high water elevation within twenty-four (24) hours of clearing or trimming. Failure to do so will constitute a violation of this division.

(h) Exemptions.

This division and the requirement to obtain a shoreline alteration permit hereunder shall not apply to the following:

1. Any person or property owner clearing less than twenty (20) percent or thirty (30) feet, whichever is greater, of lands at or below the normal high water elevation, where the following species of shoreline vegetation are not present in the area to be cleared and will not otherwise be affected or disturbed:
 - i. Tree species listed in F.A.C. § 62-401.400(2) and (3);
 - ii. Any aquatic species which is listed by the Florida Department of Agricultural and Consumer Services as threatened, endangered or commercially exploited pursuant to F.S. § 581.185, as may be amended or replaced.
2. Emergency repairs on public or private projects necessary for the preservation of life, health or property, where taken to implement and accomplish the beneficial purposes of these regulations as set forth herein under such circumstances where it would be impractical to obtain approval from the City prior to making such emergency repairs.

3. Maintenance of publicly or privately owned portions of a structural stormwater or drainage control system that does not constitute major construction or rebuilding.
4. Mowing of terrestrial sod grasses that may incidentally become established on lake bottom (below the normal high water elevation) from adjacent lawns. The shoreline and lake bottom areas that can be mowed must not be inundated, and the exposed soils must be dry enough to support the mower so that incidental shoreline alteration does not occur. Disking (turning the soil with blades to uproot vegetation) is excluded from this exemption.
5. A property owner whose shoreline has previously been cleared where the clearing is continuously maintained. If shoreline vegetation is reestablished, this exemption from permitting shall not apply.
6. Any activities otherwise exempt pursuant to Florida law.

(i) Notice.

Upon receipt of an application, the city shall send notices by first class mail to the owners of properties located within 300 feet of the parcel associated with the proposed shoreline alteration. All such notices shall require that written comments concerning the proposed alterations be sent to the city within 15 days following the date the notices were sent.

(j) Appeals.

1. Permits. The applicant or any person entitled to notice under this division may appeal the approval or denial of an application for a permit to the City Commission by filing a petition within ten (10) days of such approval or denial. Such petition shall be submitted to the city manager or his/her designee in writing and set forth the reasons and evidentiary basis for overturning the approval or denial of the requested permit. A timely filed appeal shall be heard by the City Commission within thirty (30) days of the date such appeal is filed with the City.
2. Variances and Special Exceptions. Decisions of the Planning and Zoning Board concerning variances and special exceptions related to the subject matter contained in this division may be appealed to the City Commission in accordance with § 98-31 of this Code.
3. Appeals from Decisions of the City Commission. Appeals from the decisions of the City Commission shall be made in accordance with § 98-32 of this Code.

(k) Penalties; enforcement.

If the City determines that clearing or alteration is occurring without prior approval or not in accordance with these regulations, it shall promptly issue a written notice of violation to the offending person. The notice of violation shall include a description of the site where the violation has occurred, cite the provisions that have been violated, and set forth the required remedial action to be taken as deemed reasonable and necessary by the City. Such remedial action may include restoration of damaged topography; revegetation of the site to comply with these regulations, general or special laws; replacement of affected wildlife; payment of all permit

and inspection fees, and other actions consistent with the intent of these regulations, general or special laws or as they may be amended from time to time.

Section IV *Codification.* Sections I, II, and III of this Ordinance shall be codified and made part of the City of Winter Garden Code of Ordinances and all sections and subsections may be renumbered or relettered as necessary to achieve such purposes.

Section IV *Conflicts.* In the event of a conflict or conflicts between this ordinance and other ordinances, this Ordinance shall control to the extent of such conflict. To the extent that provisions of this Article refer to, provide for or otherwise authorize application of standards, requirements, or decisions of the City and/or other governmental authority or authorities, the City Engineer shall determine which standard, requirement, or decision applies based on the context of such, subject to appeal to the City Manager.

Section V *Severability.* It is the intent of the City Commission of the City of Winter Garden, and is hereby provided, that if any section, subsection, sentence, clause, phrase or provision of this Ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed to render invalid or unconstitutional the remaining provisions of this Ordinance.

Section VI *Effective Date.* This Ordinance shall become effective upon adoption by the City Commission.

ORDINANCE 11- 22

**AN ORDINANCE OF THE CITY OF WINTER GARDEN, FLORIDA;
AMENDING § 58-39 OF CHAPTER 58, ARTICLE II OF THE WINTER
GARDEN CODE OF ORDINANCES; IMPOSING STORAGE
REQUIREMENTS FOR GARBAGE AND TRASH CONTAINERS;
CLARIFYING THE LOCATIONS FOR PLACEMENT OF SUCH
CONTAINERS; PROVIDING FOR PENALTIES, ENFORCEMENT,
CODIFICATION, SEVERABILITY, CONFLICTS AND AN EFFECTIVE
DATE.**

WHEREAS, the City has home rule authority pursuant to Article VII, Section 2 of the Florida Constitution and Chapter 166, Florida Statutes, to enact this Ordinance; and

WHEREAS, the City desires to maintain and increase the aesthetic atmosphere of the City by requiring property owners and tenants to properly store trash and garbage containers when such containers are not in use.

NOW, THEREFORE, BE IT ENACTED BY THE CITY OF WINTER GARDEN, FLORIDA, AS FOLLOWS:

Section I The above recitals represent the legislative findings of the City Commission of the City of Winter Garden supporting the need for this Ordinance.

Section II Section 58-39 of the Winter Garden Code of Ordinances is hereby amended to read as follows (underlined text indicates additions; ~~struck out~~ text indicates deletions):

Sec. 58-39. Points of collection.

- (a) *Domestic garbage.* On designated collection days, ~~G~~garbage containers shall be placed ~~at the edge of the customer's property~~ adjacent to the street along the customer's property and shall be accessible without entering into a building or shelter of any type or by walking under or around a yard or property obstacle. Any person who is a full-time resident of a residential unit who is disabled to the extent that he is incapable of moving the garbage container and who shall obtain a physician's certificate as to such disability shall not be required to place the garbage container adjacent to a street. This subsection shall not apply unless all of the persons in the residential unit are disabled and obtain such physician's certificate.
- (b) *Domestic trash.* On designated collection days, ~~D~~domestic trash shall be placed adjacent to ~~at~~ the street's edge, but shall not be placed in the street. All small domestic trash such as grass, short hedge clippings, weeds, fallen leaves, and citrus droppings shall be put in containers and shall be placed at the street's edge.
- (c) *Commercial garbage and trash.* On designated collection days, ~~A~~all garbage and trash must be placed in containers on the property and not within the right-of-way of any area or street except as may be otherwise designated by the director of public works. Such containers shall be accessible without entering a building or shelter of any type.
- (d) *Time of collection.* All domestic garbage and trash containers, ~~domestic or commercial,~~ shall be placed ~~on~~ adjacent to the edge of streets in the manner provided in this section not later than 7:00 a.m. on the day designated by the director of public works for collection and shall be removed from the edge of such street not later than 7:00 p.m. on such designated days and stored so that the containers cannot be viewed from the street(s) (e.g., the container shall be stored at the side or rear of the property being served or within an opaque enclosure or structure such as a shed or garage) until the next designated collection day. Failure to properly store trash and garbage containers pursuant to this section on non-collection days shall constitute a Class I violation as set forth in § 2-92 of the City Code, with such fine to be assessed on a continuing basis for each day a container remains improperly stored. If the city fails to collect the garbage on the designated days, the city shall be responsible for collecting garbage from the point where the containers are customarily stored, and the customer shall not be responsible for placing the container at the street.

Section III Section II of this Ordinance shall be codified and made part of the City of Winter Garden Code of Ordinances.

Section IV In the event of a conflict or conflicts between this ordinance and other ordinances, this Ordinance shall control to the extent of the conflict.

Section V It is the intent of the City Commission of the City of Winter Garden, and is hereby provided, that if any section, subsection, sentence, clause, phrase or provision of this Ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed to render invalid or unconstitutional the remaining provisions of this Ordinance.

Section VI This Ordinance shall become effective upon adoption by the City Commission.

RESOLUTION 11-11

**A RESOLUTION OF THE CITY COMMISSION OF THE
CITY OF WINTER GARDEN, FLORIDA, SUPPORTING THE
OAKLAND NATURE PRESERVE EVENT “FLORIDA’S
WATER: IT’S WORTH CELEBRATING”**

WHEREAS, protecting and restoring our water resources in Central Florida, takes place as a large-scale effort between government agencies, environmental groups, and citizens that educates the public and helps people to understand how the eco-system is interconnected; and,

WHEREAS, on September 24, 2011, an event FLORIDA’S WATER: IT’S WORTH CELEBRATING - will be held at the Oakland Nature Preserve and will include a Special Lake Apopka Shoreline Clean-Up at Tanner Hall in Winter Garden and Re-Planting in Oakland; and

WHEREAS, this event will include hands-on activities, guided walks and talks, and exhibitors with a mission of educating people regarding the special qualities of our local environment; and

WHEREAS, this event is co-sponsored by the St. Johns River Water Management District, the City of Winter Garden, the Town of Oakland, and the Oakland Nature Preserve.

NOW, THEREFORE BE IT RESOLVED by the City Commission of the City of Winter Garden, Florida:

Section 1. The City does hereby support FLORIDA’S WATER: IT’S WORTH CELEBRATING.

Section 2. The City Commission encourages all citizens of the City of Winter Garden and surrounding areas to participate in FLORIDA’S WATER: IT’S WORTH CELEBRATING.

Section 3. A copy of this Resolution shall be included in the minutes of this meeting and a copy delivered to the Town of Oakland, the Oakland Nature Preserve, and the St. Johns River Water Management District.

Section 4. Effective Date. This Resolution shall become effective upon adoption.

PASSED AND RESOLVED this _____ day of _____, 2011, by the City Commission of the City of Winter Garden, Florida.

John Rees, Mayor / Commissioner
