**A CALL TO ARTISTS:**

*Art in Public Places Exhibit to feature  
“Winter Garden’s Best Friends”*

**Winter Garden, FL** – The City of Winter Garden is pleased to announce the next Art in Public Places exhibit, *Winter Garden’s Best Friends*. Winter Garden has a fondness for “man’s best friend” and the many other animals found in the community. This exhibit pays tribute to those many friends (domesticated and undomesticated) that provide friendship to our residents, businesses and visitors.

The exhibit will be juried and will include 20 to 25 pieces of art. It will run from June 1 until July 31, 2017 in the Winter Garden City Hall Lobby. The Opening Reception will be held on Thursday evening, June 8, 2017 for the public to meet the artists.

All mediums of art are accepted; artists must submit original work, along with an application, by May 17, 2017 to the Reception Desk at City Hall, 300 West Plant Street. The application is available on the City’s website at [www.wintergarden-fl.gov](http://www.wintergarden-fl.gov) in the Resident Section.
