**A CALL TO ARTISTS:**

*Art in Public Places Exhibit to feature  
"My Favorite Things"*

**Winter Garden, FL** – The City of Winter Garden is pleased to announce the next Art in Public Places exhibit, *My Favorite Things*. The theme provides a wide berth of subject matter for artists to showcase those things they cherish and hold dear. This theme, unlike others, does not require the subject matter to relate to the Winter Garden community.

All mediums of art will be accepted; artists are asked to submit original work, along with an application, no later than October 30, 2017. The application is available on the City's website at <http://www.cwgd.com/resident>. There will be between 20 to 25 pieces of art chosen for the exhibit by a select review committee comprised of artists and instructors. The chosen pieces will be announced on November 6, 2017.

The exhibit runs from November 20, 2017 until January 24, 2018 in the Winter Garden City Hall Lobby. The Opening Reception will be held on Thursday evening 5:30 – 7:00 pm on December 14, 2017 for the public to meet the artists.
