

**In Memory of
JACK L. QUESINBERRY
1931 – 2017**

It is with great sadness that I must share that on Thursday October 26, 2017, our prior Mayor, Jack L. Quesinberry, passed on to be with his Lord and Savior, Jesus Christ. Jack proudly called Winter Garden his home the majority of his life and unselfishly served his community as Mayor for eight (8) consecutive 2 year-terms in office from 1991 to 2008. A record held by no other to this day.

He proudly served his country in the United States Air Force for four years (1952 – 1956) and owned Quesinberry Construction, Inc. for 45 years as a State Certified Building Contractor. He built many local custom homes. He was a past Master of the Winter Garden Masonic Lodge No. 165 and long-time member. Throughout his life he served on many boards and committees making valuable contributions.

His smile and kindness were always present when speaking with him. He was very proud of what Winter Garden has become and his chance to be a part of it. He participated in local parades by driving his antique Ford Model A. He enjoyed hunting, carpentry and crafts. He was always willing to share his knowledge and experience with those he spent time with. Jack's work and dedication will be remembered often by the people he worked with and the residents of the City of Winter Garden. His impact on our community is far reaching and is in itself a testimony to the contributions he made to the City he loved.

He has left his loving family; wife Gloria, children Kathy, Rusty, Rory, Amy, and Jeni whom we know will miss him greatly and are sorry for their loss as well as his 10 grandchildren and 6 great-grandchildren.

Please join me in celebrating Jack Quesinberry's 86 years of life starting with visitation Thursday, November 2nd from 5 p.m. to 7 p.m. at the First United Methodist Church of Winter Garden, Florida, with the funeral on Friday, November 3rd at 10 a.m. Burial will take place at Woodlawn Memorial Park in Gotha.

A handwritten signature in black ink that reads "John Rees". The signature is written in a cursive, flowing style with a long horizontal line extending to the right.

Mayor John Rees
