Moving? Here are some Recycling Tips

Keep these easy tips in mind when planning a move or pass them along to someone you know who is moving. More suggestions about recycling during a move, at school, at work and more, can be found on www.epa.gov or the City Website www.wintergarden-fl.gov.

- Have a yard sale to find homes for clothes, toys, appliances and books that you no longer need.
- When moving, use old newspapers to wrap fragile materials.
- For cleaning chores, buy reusable mops, rags and sponges.
- Use moving boxes with the highest content of recycled paper and bubble wrap containing recycled plastic. Be sure to recycle packaging materials after your move. Many organizations, such as U-Haul, have places where you can drop off unused boxes for others to reuse.
- Most quantities of boxes will be collected; make sure to break the boxes down before placing them out on the curb.
- Be sure to properly dispose of any non-recyclable items that you won't be taking with you. Take household hazardous waste to the Orange County Landfill to properly dispose of cleaners, paints, automotive supplies and other hazardous items.
