Click the Link!!

Step 6: Enter the username and password you chose when creating the account

User Login

We have enhanced our website to better manage your accounts. Your existing user ID will need to be migrated to this new centralized user system. If this is the first time you have logged into this site since the upgrade, please enter the user ID or account number you have always used.

The site will prompt you to create a new user ID, identified by your eMail address. Your existing accounts and wallet will be migrated to this new eMail based User ID. For future logins, you will use your eMail address to gain access to the site.
